Child Exploitation - Raising Awareness - VIRTUAL SESSION

Aims and Objectives

The purpose of this course is for participants to:-

- To know how exploitation works
- To know and be able to recognise warning signs and risk factors that could indicate exploitation
- To know when and how to complete the Child Exploitation Screening Tool
- To understand about why children and young people go missing
- To understand the barriers in reporting abuse
- To know what to do if you are worried
- To begin to understand what we are doing to tackle exploitation both nationally and locally

Course information

To successfully complete this course, participants will have to complete the pre-reading of the course booklet which can be found in the attachment section upon enrolment and the list that is supplied (3 ½ hours) and be present for the entirety of the virtual training (3 ½ hours) and continue with a minimum of 10 hours of CPD per annum. please also complete the feedback form via your account to obtain a certificate.

Audience

Members of the workforce who work predominately with children and young people and/or their parents and carers and are responsible for making safeguarding referrals to the Police and Children's Social Care E.g. Police, Health, Education and Voluntary Sector. This course is suitable to all practitioners who work with children and families in any capacity but also for those practitioners who may not work directly with them but need to have an awareness and understanding of children at risk of child exploitation.
