

West of Cheltenham Transport Improvement Scheme
UK Cyber Business Park - Phases 1 & 2
Public Share Events
18th & 20th June 2019

Feedback Form

Please indicate your agreement or disagreement with the following statements by ticking the relevant box below;

Would the proposed schemes achieve the following objectives?

Statements	Agree	Neither Agree or Disagree	Disagree
Alleviate existing congestion at Arle Court Roundabout and on the A40 (from Arle Court to M5 J11)?			
Encourage future development in the West of Cheltenham area by releasing network capacity?			
Increase the level of walking and cycling provision for the West of Cheltenham areas?			
Represent good use of public monies?			

Please provide any additional comments/feedback you have regarding the scheme.

All display materials are available to view online at:
