Please note:

*NA - The distance factor is only applied when schools are oversubscribed, these schools were not oversubscribed and therefore distance was not a consideration of admission. Schools which are oversubscribed are those which had a waiting list as at allocation day. Pupils allocated under geographical claim does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons, pupils in public care/Previously in public care, or children of staff employed by the school (when part of the schools admissions criteria).

** The distance provided is based on the allocation address as at allocation day. Where a school is not oversubscribed, the distance given may include details of places offered for pupils hoping to move. Large distances have been suppressed for data protection purposes, distances greater than 20 miles have been replaced with >20 to protect possible identification of individuals.

• Values less than five have been suppressed for data protection purposes, where this is the case <5 has been put in place of the original value.

• This information does not include pupils who are siblings of pupils already at the school, children with a Statement, medical reasons or pupils in public care (pupils who have this criteria will have higher priority as per the schools admission criteria).

• Total allocated on allocation day are the total number of pupils allocated a school place on allocation day, irrelevant of preference.

• Total number of preferences are the total number of preferences received, and does not include those who were placed due to not sending in an application. Please note that each application received can include more than one preference.
