Using the data

App Support- Charlotte Claridge

Using part-time timetables.

How to use your MIS systems to help support SEN data.

OUR VISION

Provide first class ICT support to schools in Gloucestershire and reduce conflicts in data.
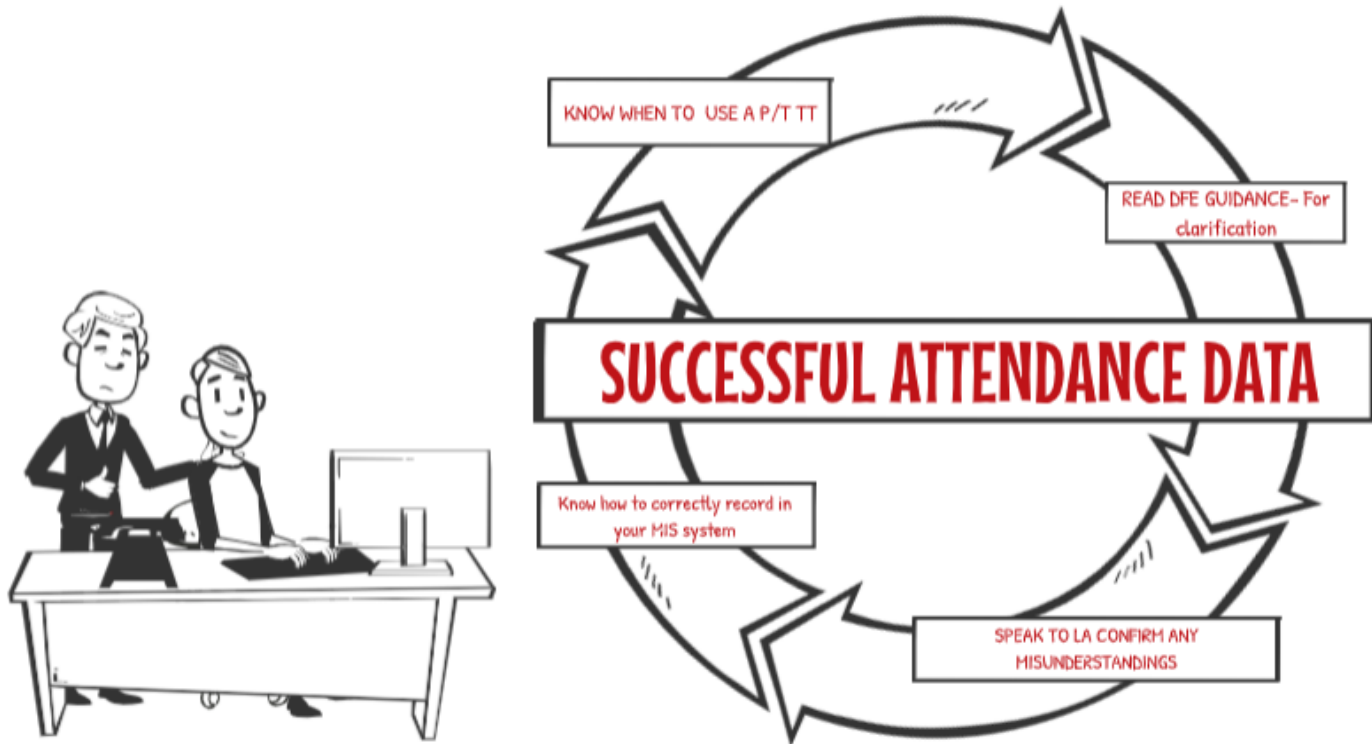

To reduce schools' admin/ analysis workload and support with secure, efficient working practices.

Working with select schools to help understand their needs, wants and desires.
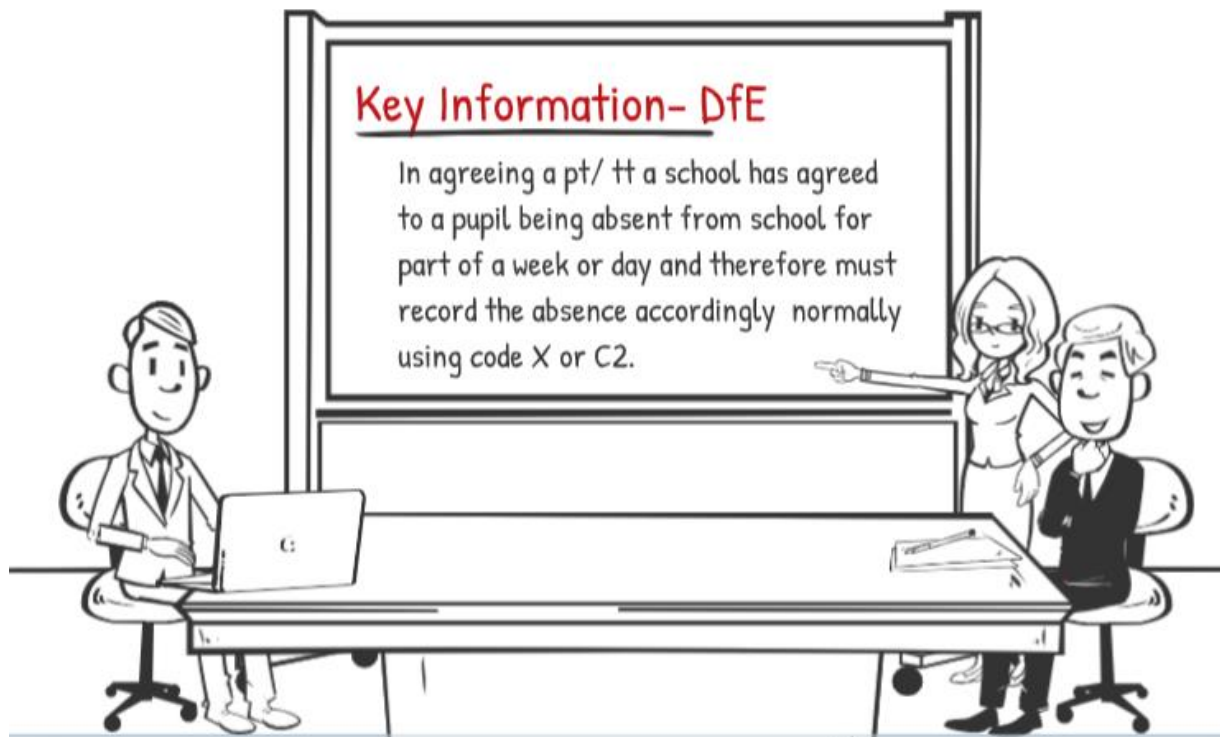

Designing customer lead workshops.

FOCUS AREA: PART TIME TIMETABLES

FOCUS AREA: PART TIME TIMETABLES

FOCUS AREA: SEN WORKSHOPS

<u>Objective:</u>

Collaborating with SEN teams at GCC to reduce high volume of conflicts in data.

Ensure data recorded supports accessing vital funds.

Designing supportive, purposeful, co-ordinated workshops for admin and SENCO's.
