

Early Years Childminder Newsletter - October 2025

Dear Childminders,

Welcome to your October Newsletter.

Autumn has definitely arrived. A few childminders have been telling me it is their favourite time of year for outside learning with a wealth of loose parts and natural resources such as leaves and conkers. I have seen tubes for rolling them down and lovely mark-making by rolling them through trays of paint.

In this newsletter there is booking information for the October play session and the links for the revised Ofsted framework. We are looking at this in the October Network meeting so do come along if you are interested (online). The links to book are below.

This session will explore the basics of effective, authentic, meaningful interactions with children in the early years. We will cover what makes for quality interactions: the way we use our body and voice, how we listen, pause, and reflect on children's learning with them, how we can deepen their thinking, provoke new learning, and delight in the children's fascinations. We

will use the quality interaction checklist to learn more about how to develop good practice, as well as guidance from the EEF Evidence Store.
