

# Care Leavers Offer 2025

Overview of statutory or discretionary key financial entitlements for young people aged 18 - 25 leaving care

Gloucestershire  
COUNTY COUNCIL

## General entitlements

Overview of general entitlements for young people aged 18 - 25 leaving care\*

2

Young people on remand or serving a custodial sentence will receive £20 per month to support phone contact with family and friends.

Young people will receive help to obtain key documents including Passport, Birth Certificate and provisional driving licence.

Young people can access support to pay for their first driving theory test.

Young people can access support to pay for their first practical driving test.

Young people can get assistance with travel costs on public transport to keep in contact with members of their family when they are living out of county.

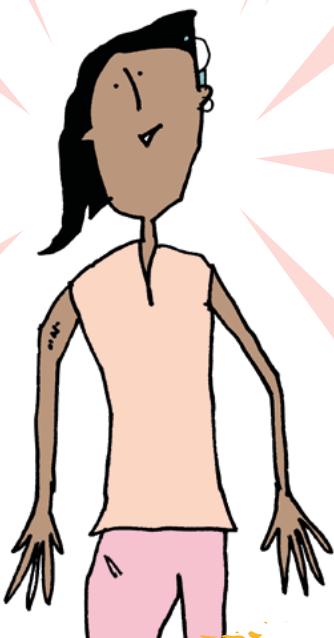

Young people can have access to an independent advocate if needed.

Young people can receive incentive payments of £50 up to a maximum of 4 times if linked to achievements in their Pathway Plan.

Young people will receive 2 weeks personal allowance when they have made a claim for Universal Credit by their 18th Birthday.

Young people may receive some financial assistance to attend significant family events, for example weddings, birthdays, or funerals.

\*The young people who are eligible for these entitlements are young people defined as 'former relevant' 18-25

Young people can access £300 grant towards driving lessons, (an assessment of their ability to continue lessons will be made)

Young people who pay for prescriptions will be able to access free prescriptions up to the age of 25. This offer includes care leavers from other local authorities who live in Gloucestershire.

Free eyesight tests and the cost of glasses or contact lenses, in line with the standard NHS tariff prices.

Access to free dental care . This will include the cost of seeing a dentist and paying for any treatment you may need such as x-rays or fillings. If required, this scheme would also fund braces. Braces are only covered by this scheme if this is a medical need identified by the dentist.

Young people can ask for emergency assistance, this will be considered for food, toiletries or utilities where evidence of need, emergency assistance will only be given up to a maximum of 4 times in any rolling six month period.

Young people can access some assistance to help with the purchase of glasses up to a maximum of £100 in any 2-year period in addition to the standard NHS tariff.

Young people who have frequent health appointments can receive some help with transport costs.

Young people can get assistance with clothing in some circumstances, for example, when pregnant, for a special occasion such as wedding, funeral, job interview or if clothing has been lost due to fire or flooding.

Young people who have the legal right to stay in the UK will be financially supported to gain British Citizenship up to the age of 25.

## Accommodation entitlements

Help with housing for young people aged 18 - 25 leaving care

4

Young people can access their first month's rent in advance when moving to their first independent accommodation.

Young people aged 18 – 25 who are in full, or part time employment can claim council tax exemption. This offer includes care leavers from other local authorities who live in Gloucestershire.

Young people can apply for a grant of £300 towards the cost of broadband when living independently.

Young people living in supported accommodation who are also in employment can apply for support with paying their rent, this will initially be for 3 months and may be extended if clear this will support a move to affordable accommodation.

Young people can access a Setting up Home grant when they are moving to independent accommodation of up to £3,000. This can be accessed up to age of 25.

Support to stay put with your foster carer until the age of 21.

Support to stay close to your accommodation provider and important networks until the age of 21.

Where a young person in Higher or Further Education cannot remain in their term time accommodation during vacations, financial and practical support will be given to find suitable alternative accommodation.

# Education, Employment & Training Related Entitlements

Help with work and learning for young people aged 18 - 25 leaving care

5

Young people going to university or studying at a Higher Education level will receive a bursary and financial support to assist with living costs. Based on a 3-year degree they will receive a combined amount of £4,600 per year. If studying over a longer period the same overall amount is available but will be calculated to support the entire course.

Young people who successfully complete a degree will receive an achievement award of £2,000.

Young people on an apprenticeship should be receiving the equivalent to a minimum wage, where this is not happening, we will pay a top up to this amount.

Young people who wish to progress with post graduate studies for example to complete a Master will receive a one off bursary of £2,000.

Young people in further education or on training courses can receive financial support for specialist clothing or equipment needed for their course.

Young people engaging in education, training or employment will receive help with travel costs. Alternatively young people can be provided with a push bike and safety equipment.
