

A40 Over Roundabout Improvement Scheme

PUBLIC SHARE EVENT

Thursday 22nd September 2016

Highnam Community Centre – 2:30pm to 7:30pm

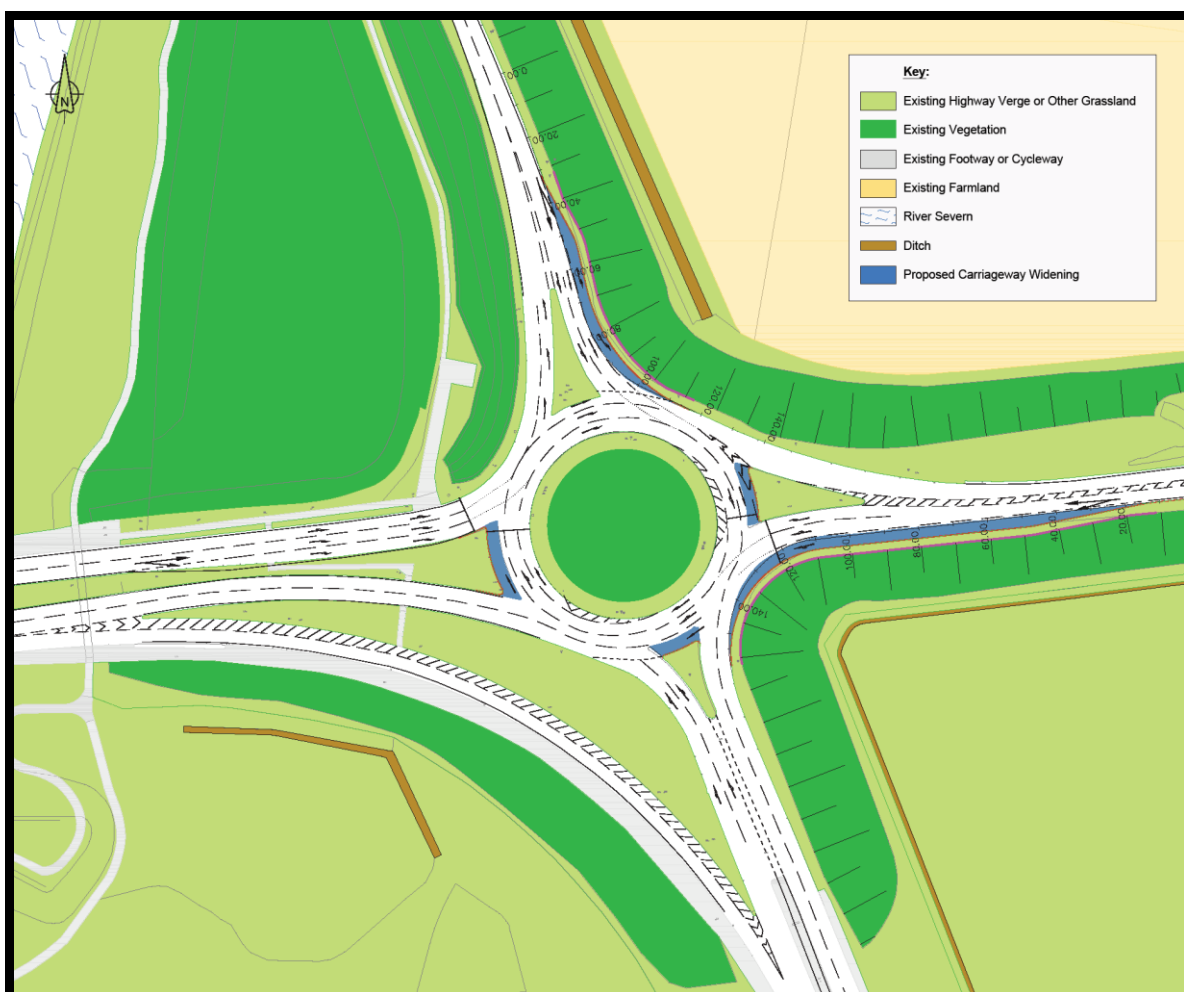

Newent Rd, Highnam, Gloucester, GL2 8DG

Gloucestershire County Council together with GFirst LEP, are proposing to undertake highway improvement works to the A40 Over Roundabout. The scheme is planned to start early 2018 and will comprise of the following elements:

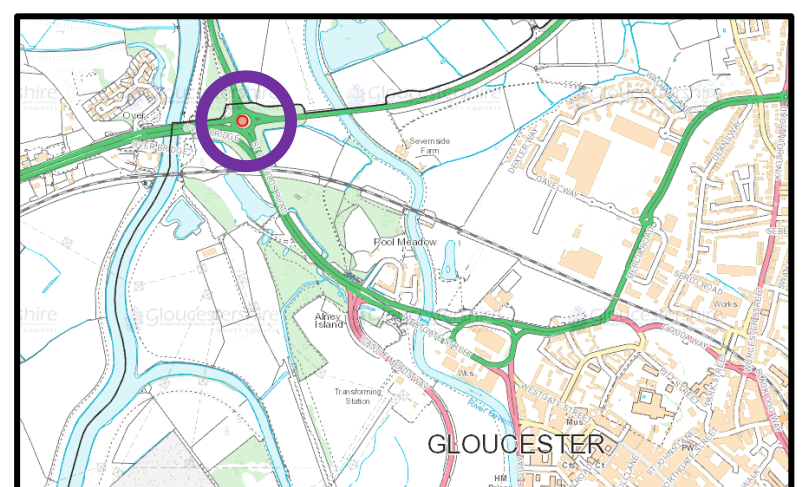

- A417 North: widening of the southbound approach to the roundabout entry to provide three lanes at the junction stop line
- A40 East: widening of the westbound approach to the roundabout entry to provide three lanes at the junction stop line
- A40 Roundabout Circulatory: the addition of a third circulatory lane

Drawings detailing the proposals will be displayed at Highnam Community Centre, where representatives from Gloucestershire County Council and their service delivery partner Amey will be on hand to answer any questions you may have about these improvements. The following plans show the location of the A40 Over Roundabout.
