T. REES JONES,

Chairman.

At a Meeting of the Maternity and Child Welfare Committee held on Monday, the 18th December, 1916: Present-The Mayor (in the chair), Mrs. Lake, Mrs. McArthur, Miss Barnard, Miss Hill, Dr. Cardew, and Councillor Wood-

It was Resolved to make the following report to the Town Council: -

At their first Meeting on the 2nd May last the Mayor was appointed Chairman and the Medical Officer of Health was asked to act as medical adviser and supervise the work, and it has been arranged that he shall attend the ordinary meetings of the Voluntary Health Society. The Health Visitor (Miss Montagnon) was appointed as from the 15th May last, but the Committee were unable to arrange for her to start work until the 29th May.

A list of her duties has been drawn up by the Medical Officer of Health and approved by the Committee. Miss Montagnon's time is principally devoted to home visitation, which the Local Government Board regard as of primary importance. It is her duty to make a first visit as soon as possible after notification of a birth is received in cases not attended by the Victoria Nurses. In the latter cases the visiting begins when the visits of the Victoria Nurse cease. After the first visit such further visits are made as may seem necessary according to the circumstances of the case. The object of the visits is to see that proper attention is given to the feeding and the general and medical care of the infant. In all suitable cases the mothers are advised to attend one or other of the Maternity Centres.

Miss Montagnon also attends at the Maternity Centres to receive the mothers, assist the doctor in attendance at the Centre, and generally to manage the weighing of the infants and all medical dealing with the mothers under the doctor's directions and to see that the records are duly made.

In all cases where treatment requiring a nurse is prescribed by the doctor at the Maternity Centre she supplies the necessary information to the Lady Superintendent of the Victoria Nursing Home in order that a district nurse may be sent to attend the case.

The Maternity Centres are held once a week at No. 2, Bath Street and at St. Peter's Institute, and a meeting is also held in addition once a month at No. 2, Bath Street for children over one year.

The following is a summary of the work of the Health Visitor from the 29th May to December 16th, 1916:

No. of babies visited	518
No. of visits to homes entailed	1701
No. of attendances at the Centres	49
Talks to mothers at the meetings	32
Formal lecture to mothers	2
Remitted to Children's Hospital or Infirmary	4
No. of births discovered to be unnotified	30
Births attended by uncertificated women without a doctor	3
Clerking work in connection with her books and cards	

The District Nursing Association have offered to allocate a bed in their Lying-in Ward for cases sent in by this Committee in consideration of a grant at the rate of £2 2/- a week, which is the estimated cost of the bed. The Committee have agreed to make a grant at the rate of £18 18/- per annum for

the use of a bed for 9 weeks for cases requiring ante-natal or post-natal treatment sent in by this Committee. The amount payable for this financial year will only amount to £6 6/-

The Committee have asked the District Nursing Association to continue ante-natal advice to expectant mothers as has been given hitherto by the Lady Superintendent, and they have agreed to do so.

The Committee have endeavoured to arrange for additional Maternity Centres to be opened, but difficulties have arisen and so far they have been unable to make any satisfactory arrangements. The attendance at the existing Centres has, however, very much increased.

33

The Committee have agreed to make a grant of £10 to the Voluntary Health Society for the current financial year. The Voluntary Health Society have asked for an additional representative on the Committee, and the Committee think that this should be granted, but this will involve the appointment of another Council representative to secure a majority of the Council on the Committee as recommended by the Local Government Board.

The Committee recommend that an additional representative nominated by the Voluntary Health Society be appointed and that an additional member of the Council be appointed, which will increase the number of the Committee to thirteen.

T. REES JONES,

Chairman

### **Borough of Cheltenham**

MINUTES of the Committees of the Town Council to be submitted for approval at a Quarterly Meeting of the Council to be held on Monday, the 5th February, 1917.

## PUBLIC HEALTH COMMITTEE.

At a Meeting of this Committee held on Monday, the 8th January, 1917: Present-The Mayor, Aldermen Davies and Steel, Councillors Green, Stewart and Wood (The Mayor in the chair).

1-Houses without proper Ash Receptacles -The Inspector of Nuisances reported that the following houses had no proper ashpits or ash receptacles, viz.: -7 Rutland Street, 6 and 8 Fairhaven Cottages, 333 High Street, and 20 St. George's Street. Resolved, That the necessary Notices be given to the respective owners under Section 36 of the Public Health Act, 1875, and Section 27 of the Cheltenham Improvement Act, 1889, requiring them in each case to provide a moveable ash receptacle of such size, pattern and construction as may be approved by the Inspector of Nuisances on behalf of the Corporation.

2 -Overcrowding at 5 New's Cottages, Alstone-The Medical Officer of Health reported that these premises were so overcrowded as to be dangerous or injurious to the health of the inmates.

Resolved, That the Committee being satisfied of the existence of a nuisance on the said premises, Notice under Section 94 of the Public Health Act, 1875, be served on the occupiers thereof, requiring them to abate the same.

3- Cleansing and Whitewashing at 11 Elm Street, 54 Queen Street, 1 and 2 Railway Bank, Granley Road, 94 and 95 Tewkesbury Road, 1 and 2 Derrett's Cottages, Alstone, 10 Pretoria Terrace, 26 Bath Street- The Medical Officer of Health having certified under Section 46 of the Public Health Act, 1875 that the above-named dwelling-houses were in such a filthy and unwholesome condition that the health of the inmates was affected or endangered thereby.

Resolved, That Notice be given to the owners under the said Section requiring the houses to be cleaned and limewashed.

4-Nuisances from Drains, etc., at Providence Cottages, Lower Alstone, and 13 and 17 Naunton Crescent--The Inspector of Nuisances having made written application under Section 41 of the Public Health Act, 1875, stating that the drains, &c., on or belonging to the above-named houses were in such a state as to be a nuisance or injurious to health. Resolved, That authority be given to the Inspector of Nuisances to open the ground, examine the drains, and report to the Committee.

5-Insanitary Property-94 Tewkesbury Road, 7 Elm Street, 10 Pretoria Terrace, 61 Union Street, 8 Pittville Street, 26 Bath Street--The Medical Officer of Health reported that the above-mentioned premises were in such a state as to be a nuisance or injurious to the health of the inmates owing to defective roofs, walls, ceilings, floors, &c. Resolved, That the Council being satisfied that the said premises are in such a state as to be a nuisance or injurious to health, Notices under Section 94 of the Public Health Act, 1875, be served upon the owners requiring them to put the same into a healthy condition, and for that purpose to carry out the works specified therein.

6-Manure Receptacle-The Inspector of Nuisances reported that Mr. R. Jones, of Townsend Street, had failed to comply with the Byelaw requiring the weekly removal of manure from his premises. Resolved, That the Town Clerk be instructed to take proceedings for the penalties incurred if the manure is not at once removed.

7-Houses Let in Lodgings-The Medical Officer of Health recommended that the landlords of the following houses let in lodgings, viz.: 5, 6, 8 and 11 St. Paul's Street South, be required to give the necessary information for registration. Resolved, That the landlords of the houses above mentioned

be served with Notices requiring them to supply the information necessary for the registration of the houses by the Council as specified in No. 7 of the Byelaws with respect to houses let in lodgings, except as to the age and sex and names of the occupants.

8-Houses without proper Water Supply-4 Portland Street, 8 Pittville Street, and 331 High Street -It appearing, on the report of the Borough Surveyor that the above premises were without a proper Water Supply, but that such supply could be furnished at a cost not exceeding the Water Rate authorised by the Corporation Water Acts, Resolved, That Notice be given under Section 62 of the Public Health Act, 1875, to the owners requiring them to do all such works as may be necessary for that purpose.

9-Destruction of Diseased Meat-The Medical Officer of Health reported the surrender and destruction of diseased meat as follows:-On the 2nd instant the carcase and offal of a heifer, and also the carcase and offal of a pig. (Total weight destroyed, 7 cwt. 3 qrs. 14 lbs)

10-Sewers-Tewkesbury Road-The Borough Surveyor reported that about two yards of the Wyman's Brook Main Sewer in Moors' Gardens, Tewkesbury Road, had collapsed. This was being repaired, and the sewer in the neighbourhood would be examined before the repairs were completed. Resolved, That the action of the Borough Surveyor be approved.

Commercial Street-The Borough Surveyor recommended that the brick sewer in Commercial street be reconstructed at an estimated cost of £320 Resolved, That the recommendation be approved and adopted, and that the cost be paid out of the South Eastern and Tivoli District Sewers Loan,

11-Pig Keeping-Read, a letter from the Local Government Board with reference to the need for increasing the food production of the country and in regard to increasing the number of pigs kept and the development of poultry and rabbit rearing

A regulation was about to be made enabling any Local Authority to give permission for the keeping of pigs either generally or in particular cases notwithstanding any byelaw to the contrary. In some districts the Board thought that the Local Authority would be able to give a general dispensation by public notice from the restrictions imposed by any byelaws. In these cases it might be desirable to impose conditions as to cleanly maintenance of styes, etc., and the regulation would enable this to be done. It was understood that no action under the Regulation would interfere with the ordinary law in regard to nuisances.

It was not contemplated that pigs should be kept in closely aggregated areas, but it was felt that in many urban areas there were areas of a rural nature where pigs could be kept without risk of nuisance. The object in view was to develop the keeping of pigs in places where there was likely to be a supply of food refuse available for their feeding. Apart from individual pig-keepers, groups of people might be found who would combine to keep a number of pigs jointly and by their united efforts would be able to make a systematic collection of sorted waste from shops and from hotels and boarding houses, &c, and in this way provide economically for most of the food for the pigs by material which might otherwise be wasted.

Resolved. That the inspector of Nuisances be authorised to give permission for keeping pigs in suitable cases.

12—Report of Farms Sub-Committee—The Farms Sub-Committee reported that they met on the 8th January, 1917 Present: —The Mayor, Alderman Steel, Councillors Green, Stewart and Wood (Councillor Wood in the chair).

Water Committee Councillor Pates in place of Councillor Horsley (resigned).

4—Retiring Councillors--Resolved, That this Council desire to record their appreciation of the services of the late Members of the Council who have resigned office owing to absence on military or other services in connection with the War, and to express the hope that at some future time they may be able to serve again on the Council.

5—National Service—Read, a letter from the Local Government Board forwarding copy of a letter received by Lord Rhondda from the Director General of National Service with regard to the enrolment of National Service Volunteers, and asking for the hearty co-operation of Local Authorities under the Scheme. Resolved, That the letter be referred to the General Purposes Committee with power to appoint a National Service Recruiting Committee.

6—One Man Businesses -Read, a letter from Brig.-General Grove forwarding an outline of a Scheme for dealing with one man businesses recently adopted by the Hammersmith Town Council, and asking, in view of the present pressing need of men for the Army, that a Scheme should be adopted by the Council, as this would not only be conferring a valuable boon upon a deserving body of men, but would also be freeing the hands of the Tribunals to liberate those who might otherwise be considered eligible for exemption on domestic or financial grounds. Resolved, That the letter and

scheme be forwarded to the Chamber of Commerce and Traders' Association, and that they be asked to consider the question of formulating a scheme.

7—Cultivation of Land—Read, a letter from the Local Government Board with reference to the Cultivation of Land Order 1916. The Board stated (1) that it was essential to secure the active co-operation of women in order that female labour should be utilised as fully as possible; (2) that the Board would offer no objection to a Local Authority themselves cultivating any land in their possession which they were unable to dispose of to cultivators; (3) that the Board of Agriculture were willing to increase their contribution of £2 an acre for expenses

65

where it was shown that a large expenditure was reasonably incurred, such extra contribution not to exceed an additional an acre; and (4) that any land taken by the Local Authority under the Order may be regarded as Crown land and thus not subject to rates. Resolved, That the letter be referred to the Parks, Recreation Grounds and Allotments Committee.

8—Army Oats—Harvest, 1917—Read, a letter from the Controller of Cultivated Land Areas, calling attention to the offer of the Army Council to occupiers of suit-able land now in permanent pasture for oats at the price of 41/3 per quarter of 320 lbs. The Food Controller had fixed the price of the Oat Crop of 1917 at 38/6 per quarter of 336 lbs., and the bonus in favour of the Army Council's offer was 4/7 per quarter and resulted in an average bonus of 22/11 per acre on a 5-quarter crop.

9—Gloucestershire Insurance Committee — Resolved, That Councillor W. H. Horsley be appointed a Representative of the Town Council on the Gloucester-shire Insurance Committee to fill the vacancy caused by the death of Councillor Merrett.

10—Public Health Committee—Resolved, That the proceedings of the Public Health Committee, at their Meeting of the 8th January last, be approved and confirmed.

11—Street and Highway Committee—Resolved, That the proceedings of the Street and Highway Committee, at their Meetings of the 9th and 29th January last, be approved and confirmed, subject to the following Amendment, viz.: That Minute No. 10 (Workmen) be referred back for further consideration.

12—Town Improvement and Spa Committee—Resolved, That the proceedings of the Town Improvement and Spa Committee, at their Meeting of the 19th January last, be approved and confirmed. 13—Electricity and Lighting Committee—Resolved, That the proceedings of the Electricity and Lighting Committee, at their Meetings of the 4th, 11th and 25th January last, be approved and confirmed.

14—Water Committee—Resolved, That the proceedings of the Water Committee, at their Meeting of the 18th January last, be approved and confirmed.

15—General Purposes and Watch Committee—Resolved, That the proceedings of the General Purposes and Watch Committee, at their Meeting of the 23rd January last, be approved and confirmed.

Motor cab Licence—Read, the report from Messrs. Mills and Sons, Ltd., of their inspection of the 14-18 Allday landaulette car belonging to Mr. T. F. Worgan. Resolved, That a licence be granted to Mr. T. F. Worgan subject to the car being fitted with a taximeter and a tyre with a grooved cover in place of one of the three plain tyres, as recommended by the report.

16—Art Gallery and Museum Committee—Resolved, That the proceedings of the Art Gallery and Museum Committee, at their Meeting of the 10th January last, be approved and confirmed.

17—Parks, Recreation Grounds, and Allotments Committee—Resolved, That the proceedings of the Parks, Recreation Grounds, and Allotments Committee, at their Meetings of the 12th, 16th and 24th January last, be approved and confirmed.

18—Burial Board Committee—Resolved, That the proceedings of the Burial Board Committee, at their Meeting of the 26th January last, be approved and confirmed.

19—Public Library Committee—Resolved, That the proceedings of the Public Library Committee, at their Meeting of the 16th January last, be approved and confirmed.

20—Finance Committee—Resolved, That the proceedings of the Finance Committee, at their Meeting of the 30th January last, be approved and confirmed.

Resolved also, That an Order on the Borough Treasurer be signed accordingly for payment to the several Corporations, Companies and Persons mentioned in the Schedule of Accounts, the sum of money set opposite their respective names upon production of a cheque signed by the Borough Accountant.

21—Stationery and Postages—The motion of which notice had been given by Councillor Horsley was withdrawn by him.

Mayor.

3—Recreation Grounds, &c.—Read, a letter from the Board of Agriculture with reference to the cultivation of Recreation Grounds and other "unoccupied land" in the possession of Local Authorities.

The Board entirely approved of land belonging to a Local Authority being temporarily devoted to the production of food where this would not involve at the end of the operation a serious liability for the cost of the restoration of the land to its original condition, and the Board desired to encourage any such action which Local Authorities may be in a position to take on their own account and at their own expense in cultivating, or arranging for the cultivation of, land belonging to them, but not immediately required for the purpose for which it was acquired. In order, however, to safeguard the liability of the Board for payment of compensation under paragraph 4 of the Regulations, Local Authorities should inform the Board when they proceed to cultivate their own land if they were acting under the Regulation and Order.

The Board were willing that the Regulation and Order should be construed as enabling Local Authorities to proceed on behalf of the Board in any case where the Local Authority informed the Board that the land was of such a character that no substantial claim for compensation would be made.

The Board also stated that a Regulation had been made making it an offence under the Defence of the Realm Acts to trespass on any land taken under the Order for Cultivation, provided a Notice was put up on the land.

Resolved, That Notices be put up on the land taken in pursuance of the Order.

Resolved, also, That no claim be made on the Board of Agriculture in respect of the portions of the Recreation grounds appropriated for cultivation.

4—Rates—Read, a letter from Mr. F. H. Harris, Assistant Overseer, stating that the Overseers would be willing to waive the payment of rates on gardens attached to void houses provided that any such land was ordinary kitchen garden and a certificate was produced showing that the land was taken in the National Interest.

5—Distribution of Seed Potatoes—Read, a letter from the County War Agricultural Committee stating that the Scheme for providing seed potatoes was intended only for the benefit of Small Holders, Allotment Holders and Cottage Gardeners who were not ordinarily able to obtain good seed for themselves, and that Farmers, Professional Market Gardeners and also the Residential Class were not eligible to participate in the scheme.

In addition to the prices shown in the list enclosed, there would be the cost of railway carriage, &c., of from £2 to £3 per ton.

The Town Clerk reported that applications for seed potatoes had been received amounting to 8 tons 11 cwts., and that he had sent an order to the County Committee for the same. Resolved, That the action of the Town Clerk be approved.

Resolved, also, that the Borough Surveyor be instructed to arrange for the distribution of the potatoes from the Central Depot and the collection of the money from the buyers.

WILLIAM A. BAKER,

Chairman.

#### STREET AND HIGHWAY COMMITTEE.

At a Meeting of this Committee held on Tuesday, the 10th April, present—The Mayor, Alderman Baker, Councillors Mann, Stewart and Wilkins (Alderman Baker in the chair).

1—Collection of Food Refuse—Read a letter from the Local Government Board calling attention to the importance at the present time of utilising waste food, particularly fat and bones and other organic waste, both of animal and vegetable origin, and also waste paper, cardboard, be., wherever this was practicable.

With regard to waste food, from recent enquiries made, it appeared that very much more had been done in some districts than in others, and Lord Rhondda wished to urge upon all local authorities the desirability of every possible step being taken to secure that waste food should be collected and utilised either directly or through contractors, or by means of voluntary associations. Special provision appeared to be generally made for collecting and using the waste front hotels, restaurants and other large establishments, but each Local Authority should ascertain whether all that could be advantageously done in this way in their district was being done. In the case of private householders, except where the householder kept stock of his own for which the waste of the household was being used, a number of inhabitants might be induced to combine together for the utilisation of the waste which could be collected by or on behalf of those who could make profitable use of it.

The Borough Surveyor reported the result of the collection of food refuse which had been made in a portion of the Leckhampton district, and recommended that the collection should be extended to the whole of the town, and he estimated that about one ton per week of waste food would be collected. Resolved, That the recommendation be ' approved and adopted. Resolved, also, That the Borough Surveyor be instructed to advertise for tenders for the waste collected.

(Total sales, £774 9s. 6d.) One heifer had been killed and 2 calves had died.

Resolved, That the Farms Manager be authorised to purchase two new field gates and some posts and rails for fencing, and half-a-ton of sulphate of ammonia for top-dressing the wheat crop, and that he be instructed to obtain a quotation for cutting up the fallen elm trees for use on the Farms.

Land for Ploughing—The Town Clerk reported that the County War Agricultural Committee had asked for a return of the land which had become pasture within the last 30 or 40 years, and to be informed what area the Corporation were willing to have broken up for the 1918 harvest and if a Government tractor would be required. The following were particulars in regard to the land asked for by the Return: —

	Date of Purchase.	Arable Land
Hayden Farm (about 131 acres)	1869 about 9 acres	at time of purchase. present. none
Hayden Knoll (about 90 acres)	1883 none	about 26 acres • •
Barn Farm (about 138 acres)	1879 to 1884 about 23 acres	about 61 acres
		87
		32

Resolved, That the County War Agricultural Committee be informed that, in the opinion of this Sub-Committee, it is not desirable that any of the land now laid down to pasture should be ploughed up, as it is all heavy land and is required for sewage disposal, for which it can be utilized more continuously in a state of pasture than if converted into arable, but that if the County War Agricultural Committee are of opinion that some of the land should be broken up, they are willing to break up about 30 acres, in which case the services of a Government tractor would be required.

Resolved, That the proceedings of the Farms Sub-Committee be approved and adopted.

#### **STREET AND HIGHWAY COMMITTEE.**

At a Meeting of this Committee held on Thursday, the 10th May, 1917: Present—The Mayor, The Deputy Mayor, Alderman Baker, Councillors Horsley, Sawyer, Stewart and Wilkins (The Deputy Mayor in the chair).

1—Rooks—Resolved, That the Borough Surveyor be instructed to destroy', as far as possible, all the nests on the side of the Promenade.

JOHN D. BENDALL,

Chairman,

At a Meeting of this Committee held on Tuesday, the 15th May, 1917: Present — The Mayor, the Deputy Mayor,

Aldermen Baker and Margrett, Councillors Horsier, Mann, Sawyer and Stewart (the Deputy Mayor in the chair).

2—Trees—Selkirk Street—Read, a letter from Miss Dickinson, of Sinclair, Pittville Circus, asking for the removal of a tree at the corner of All Saints' Road and Selkirk Street.

Promenade—Read, a letter from the Secretary of the New Club, asking for the removal of four or five trees in the Promenade near the New Club. Resolved, That the letters be referred to the Trees Sub-Committee for consideration.

3—Borough Surveyor's Department—Read, an application from Sir. J. E. Ponting, chief clerk in the Stores Department, for a war bonus. Resolved, That he be granted a war bonus of 3/- per week.

An application was also received from Mr. B. Nation for an increase of salary. Resolved, That his salary be increased from £115 to £125 per annum.

4- Removal and Disposal of Refuse— Read, a letter from the Local Government Board with reference to the removal and disposal of refuse. The Board considered that it was important that Local Authorities should do all they reasonably could to economise labour in connection with scavenging and other work, and in particular they should consider whether any measures of co-operation with neighbouring Authorities could be adopted. The Board suggested (1) that in order to reduce the waste to be collected, householders should be encouraged to sift out and to burn cinders, leaving only the dust to be collected. This was the more necessary because of the importance of economising fuel; (2) that with a view to economy in collection, where possible refuse might be collected at less frequent intervals; and (3) that where transport difficulties had arisen, emergency tips might be formed, the refuse to be carted away later when labour could be more readily obtained.

The Board also pointed out that the present condition of the grain supplies made it necessary that there should be an immediate reduction in the consumption of grain by animals. The Army Authorities were prepared to purchase any suitable horses that Local Authorities might be able to dispense with and so reduce the number of Army horses now being imported from abroad.

JOHN D. BENDALL,

Chairman.

At a Meeting of this Committee held on Tuesday, the 29th May, 1917: Present—The Mayor, Alderman Baker, Councillors Horsley', Mann and Wilkins (Alderman Baker in the chair).

#### **MATERNITY AND CHILD WELFARE COMMITTEE.**

Report of the work in charge of this Committee during the half-year ended the 30th June, 1917.

The Committee have had 4 meetings since their last report,

1—Anti-Natal Work—Arrangements have been made with the District-Nursing Association for monthly lectures to be given at the School Clinic, to expectant mothers, by their Superintendent (Miss Hill). The first lecture was given in March last.

2—Voluntary Health Society—In February last arrangements were made with this Society for a number of their Voluntary Workers to assist the Health Visitor in the work of home Visitation. 135 visits have been made by these Voluntary Workers, who work under the direction of the Health visitor and report to her.

An Infant Welfare Stall at the War Economy Exhibition was organised by the Society, which aroused considerable interest, and lectures on child welfare work were also given by Miss Montagnon and Miss Barnard.

Owing to the growth of the Society's work their office has been transferred from the office of the Charity Organisation Society to 2, Bath Street, and a separate Secretary (Mrs. W. L. Mellersh) has been appointed. The Committee of the Society has also been increased, and now includes representatives of the District Nursing Association, The Cheltenham Creche, and the Women's Co-operative Guild. The Maternity and Child Welfare Committee have decided to make a grant to the Society of £20 for the current year.

3—District Nursing Association—The Committee have also agreed to increase the grant of £18 18s 0d. for the use of a bed in the Lying-in Ward at the Victoria Nursing Home to £23 12s. 6d.; to include medical attendance on cases treated.

4—Health Visitor—The following is a summary of the Work of the Health Visitor for the half year:—

Number of children visited • • 790

Number of visits to homes entailed • • 1469

Number of attendances at centres • • 51

Talks to mothers at these meetings • • 24

No of unnotified births discovered • • 5

Children remitted to hospital • • • 8

An application has been made by the Health Visitor for an increase of her salary from £95 to £100  
The Committee recommend that the application be granted.

5—Maternity Centres—Bath Street—There have been 25 meetings at this centre including meetings for children over one year. Total attendances 654.

North Ward Centre—There have been 34 meetings at this centre, including meetings for children over one year. Total attendances 337.

This centre was removed in March last from St. Peter's Institute to more suitable premises at Baker Street Institute.

At each of the centres simple drugs and infant's foods are provided on sale.

6—Expenditure—The expenses incurred by the Committee for the period ended 31st March last amounted to about £100 4s. 0d and application has been made to the Local Government Board for a grant in aid, based on this amount.

T. REES JONES,

Chairman.

Resolved, That Notice be given to the owners under the said Section requiring the houses to be cleansed and limewashed.

190

4—Nuisances from Drains, etc., at 16 St. Paul's Street South, Terry Lawn, Portland Street, 24 Windsor Street, 3 Blenheim 4 Terrace, and 32 North Place—The Inspector of Nuisances having made written application under Section 41 of the Public Health Act, 1875, stating that the drains, &c., on or belonging to the above-named houses were in such a state as to be a nuisance or injurious to health. Resolved, That authority be given to the Inspector of Nuisances to open the ground, examine the drains, and report to the Committee.

5—Insanitary Property—1 Burton Cottages, Great Western Road, 3, 4 and 6 Higgs' Cottages, Alstone, 2 Columbia Street, and 3.s and 42 Union Street—The Medical Officer of Health reported that the above-mentioned premises were in such a state as to be a nuisance or injurious to the health of the inmates owing to defective roofs, walls, ceilings, floors, &c. Resolved. That the Council being satisfied that the said premises are in such a state as to be a nuisance or injurious to health, Notices under Section 94 of the Public Health Act, 1875, be served upon the owners requiring them to put the same into a healthy condition, and for that purpose to carry out the works specified therein.

6—Houses unfit for Human Habitation—2, 3, 4, .3 and 6 Little's Court, New Street—With reference to the Representation made by the Medical Officer of Health at the last Meeting, the Town Clerk reported that he had given Notice to the Owners of these premises. Resolved. That it appearing to the Council that the above mentioned houses are in a state so dangerous and injurious to health as to be unfit for human habitation, an Order he now made pursuant to Sec. 17 {2} of the Housing. Town Planning, etc. Act, 1909, prohibiting the use of the said houses for human habitation until the same have been rendered fit for that purpose, and that the Common Seal be affixed to the said Order, and that Notice of such Order be given to the Owners.

A warm tribute of appreciation was paid to the Borough Engineer for the able manner in which the works had been designed by him and carried out under his supervision, and general satisfaction was expressed by the Representatives and Officials of the County Council and Rural District Council at the efficiency of the works in disposing of the sewage.

12-Housing of the Working Classes —A circular letter from the President of the Local Government Board was considered, in which it was stated that the question of provision of these houses was regarded as one of the most pressing post-war problems for which immediate preparation should be made. Realising that private enterprise, which provided approximately 95 per cent of the house building prior to the war, will be quite unable to grapple successfully and speedily with the building arrears, he had come to the conclusion that for the years immediately following the war it will be necessary to rely far more than in the past upon Local Authorities to provide the houses required. The Government recognised that it will be necessary to afford substantial assistance from public funds to Local Authorities who, after the war. are prepared to carry through without delay a programme of housing for the working classes approved by the Board.

It was not possible at present to indicate the form or extent of this assistance, but the offer would only be available for a limited period. Local Authorities who were of opinion that there was a housing need in their area, and desired to share in the financial assistance referred to, should fill in the form of return enclosed and return it to the Board not later than the 15th October. Resolved, That the particulars required by the return be obtained, and that the matter be further considered at the next Monthly Meeting of the Committee.

13—Report of Farms Sub-Committee—The Farms Sub-Committee reported that they met on the loth instant. Present: —The Mayor, Alderman Steel, and Councillor Wood, (Councillor Wood in the chair).
