## When making an application...

- ✓ Have you got your own email address setup?
- ✓ We advise applicants not to use a school email address.
- ✓ Look at the entry criteria for the course you apply for (this is available on each course page)
- ✓ Check the campus you have applied for, have you looked into travel options?
- ✓ Apply for subjects that you are interested in.
- ✓ If your details change – let us know! Contact us by emailing [applications@gloscol.ac.uk](mailto:applications@gloscol.ac.uk)

## What are the conditions of my offer?

- Meeting and evidencing the entry criteria for the course you have applied for.
- Course Capacity (prioritised in application date order with applications opening in October)
- Completion of mandatory assessments / application steps if requested.
- Proactive engagement with the Admissions process within communicated deadlines.
- For current students we will also consider current studies, attendance, achievement, engagement and adhering to the Student Code of Conduct.

*Further information will be provided in the email sent by the Admissions Team.*

---

## ESOL (English for Speakers of other Languages) – 16–18-year-olds

### When do applications open?

Applications open from 1<sup>st</sup> October.

Applications can be made by from here – [Click Here – ESOL Course 16-18](#)

### When should someone apply by?

31<sup>st</sup> March, applications remain open after, but we cannot guarantee and interview or place on the course may be available.

### When do interviews begin?

Interviews (group based) with our ESOL Course Leader begin typically after Easter – invites are sent via text message notification and email to applicant and nominated next of kin when known.

### When are offers made?

Offers are typically made after interviews have taken place (around July).

---

## Apprenticeships

Apprenticeships require an applicant to source their own employer, without sourcing one they won't be able to do an apprenticeship, and we advise they also apply for a full-time course as an option.

### To embark on an Apprenticeship an applicant needs to:

- ✓ Secured themselves an employer (details shared with the college and checks have to be done)
- ✓ Meet the entry criteria for that apprenticeship.
- ✓ Have eligible residency throughout the duration of the apprenticeship.
- ✓ Space available on the course.

---

## Events

Our Open Events are a great opportunity to:

- ✓ Apply for a course – our Admissions Team are at **all** events to support with making applications.
- ✓ Meet the lecturers
- ✓ Speak to our support teams

We have Open Evenings in **November, January, February and May** – our Marketing Team will update events to be booked onto [here](#).
