DRAFT

2. Introduction

To support the vision, outcomes and objectives set out in the Gloucestershire Local Transport Plan (LTP), this document sets out the identified schemes that Gloucestershire County Council (GCC) will seek funding to deliver by 2043.

The schemes respond to the outcomes and objectives identified in the LTP Strategy including:

- **Outcome 1:** A well connected and prosperous Gloucestershire
 - **Objective 1:** Improving regional transport connections to support a wider functional economic area
 - **Objective 2:** A transport system which supports sustainable housing and economic growth
 - **Objective 3:** Making our transport system more reliable and resilient all day, every day
 - **Objective 4:** Making our transport system fit for the future
- **Outcome 2:** A green and healthy Gloucestershire
 - **Objective 5:** High quality natural and built environment
 - **Objective 6:** Reducing carbon emissions and protecting our natural and built environment
 - **Objective 7:** Making travel safer and more secure
 - **Objective 8:** Enabling people to lead active and healthy lives
- **Outcome 3:** A Gloucestershire for local communities
 - **Objective 9:** Integrating different types of transport to make it work better for the community
 - **Objective 10:** Ensuring travel is affordable for all and supports reduced social exclusion
 - **Objective 11:** Ensuring transport is accessible and inclusive for everyone
 - **Objective 12:** Local transport that reflects community needs

The interventions identified in this document are intentionally presented as a high-level overview. It is important to note that as these schemes progress, develop and approach delivery, the level of available detail will increase, priorities will become more defined through the consideration of options, and a preferred and deliverable option confirmed.

The potential list of schemes outlined in this document are not exhaustive. As the LTP is a live document, other schemes are likely to emerge before the end of the plan period and be supported through the development and delivery process as appropriate.

3. LTP Scheme List

Figure 3-1 illustrates the LTP schemes which will help to achieve the transport vision for Gloucestershire.

Figure 3-1: LTP Scheme List Summary

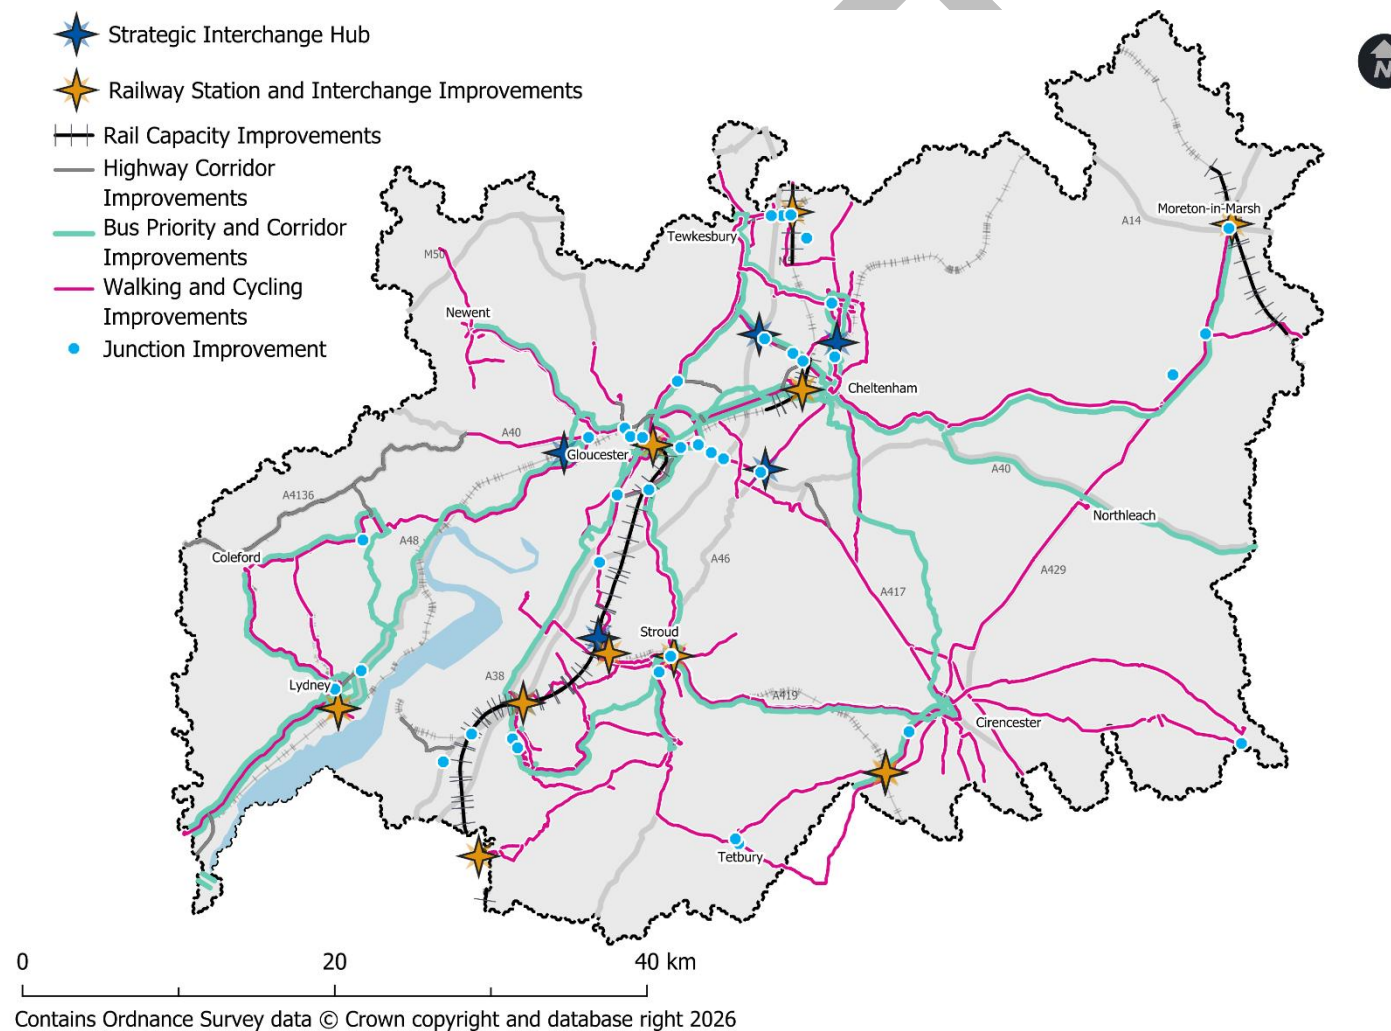

Figure 3-2 presents the network map for the emerging Gloucestershire Bus Rapid Transit (BRT) corridors which are listed in the LTP Scheme List.

Figure 3-2: Network Map for Gloucestershire BRT Corridors

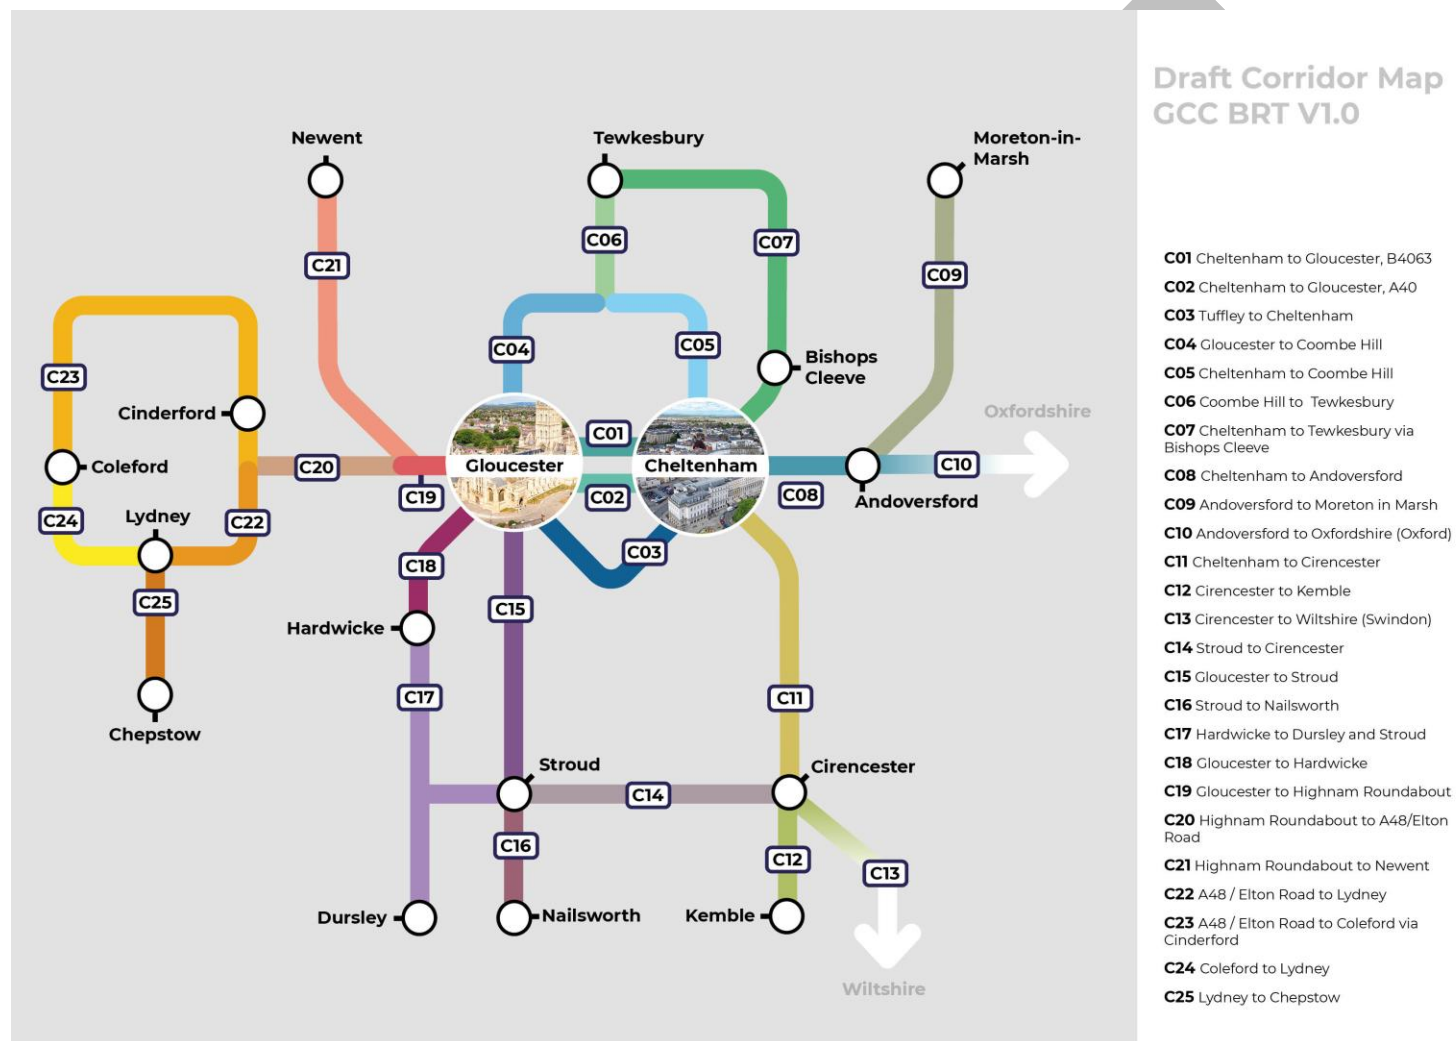

Table 3-1 presents the details of the LTP schemes. The following categorisation has been used for the table:

- Red – Removed schemes
- Orange – Amended schemes
- Green – Existing or New schemes

Table 3-1: LTP Scheme List

Reference	Scheme Name	Mode	District	Status	Cost Range	Rationale
Amended CSV 19	Gloucester – Cheltenham via Churchdown bus corridor improvements Bus priority and corridor improvements - BRT-C01 - Cheltenham - Gloucester, B4063	Bus	Cheltenham and Gloucester	Scoping	TBC	Scheme amended
Amended CSV 20	A40 Corridor bus priority, Cheltenham Bus priority and corridor improvements - BRT-C02 Cheltenham - Gloucester, A40	Bus	Cheltenham	Scoping	TBC	Scheme amended
Amended SD 20	A new railway station(s) south of Gloucester, north of Bristol New Station(s) South of Gloucester	Multi-Modal	Stroud	Scoping	TBC	Scheme amended
CSV 1	M5 Junction 10 'All Movements' access and Link Road to West Cheltenham	Private car	Cheltenham	Post DCO – Finalised Design	TBC	To be reviewed as part of next Local Plan review

CSV 13	M5 J12 capacity and safety Improvements	Private car	Gloucester	Scoping	TBC	To be reviewed as part of next Local Plan review
Amended CSV 15	St Barnabas Roundabout capacity and accessibility Enhancement St Barnabas roundabout improvements	Multi-Modal	Gloucester	Pre-design	TBC	Scheme amended
CSV 16	M5 J11a Upgrade	Private car	Gloucester	Scoping	TBC	To be reviewed as part of next Local Plan review
CSV 17	Junction improvement, A40 Over roundabout. Enhancement for outbound traffic with alternative river crossing	Private car	Gloucester	Scoping	TBC	Scheme delivered
CSV 18	C&G Roundabout Upgrade (Barnett Way Roundabout)	Private car	Gloucester	Scoping	TBC	To be reviewed as part of next Local Plan review
CSV 2	Improvements to M5 J11 and the A40 Corridor, including WCTIS, in West Cheltenham	Private car	Cheltenham	Scoping	TBC	Scheme delivered
CSV 25	Innsworth Lane and Oxstalls Lane, Gloucester	Private car	Gloucester	Scoping	TBC	Scheme delivered
