About the Job

Social Workers work alongside adult social care practitioners, managers and other professionals within our countywide Locality offices, hospital settings and a specialist learning disabilities team. Social Workers have a key role in upholding the rights of people in Gloucestershire with care and support needs. Social Workers work in line with legislative frameworks to deliver strengths based, person centred practice using the three conversations model. This is often in challenging and complex situations, and social workers also take a lead role in undertaking enquiries to safeguard adults with care and support needs across Gloucestershire, balancing their rights, wishes and feelings in line with statutory duties.

This is what we need you to do...

- Listen to the people of Gloucestershire, supporting them to connect to community resources, including promoting digital inclusion; recognising the opportunities and risk of new technologies, digital resources, online communications, virtual environments and social media in social work.
- Take a strengths-based approach, which seeks to be inclusive, anti-discriminatory, and anti-oppressive within practice.
- To practice in a professionally curious manner, feeling confident to ask difficult questions in a supportive, person-centred manner.
- Prioritise supporting people in crisis to regain control of their lives, taking a holistic approach in working together to achieve effective plans to balance risk and ensure people are more stable and enabled to live their lives.
- In line with the Care Act, undertake complex social care interventions including assessments, to determine eligibility, and support plans, to ensure individuals are enabled to lead the lives they choose.
- To coordinate and manage section 42 safeguarding enquiries and complex, high-risk situations, utilising professional judgement throughout.
- To promote social change and development, social cohesion and the empowerment and liberation of people.
- To develop and maintain an in-depth knowledge of local resources, working collaboratively with teams and services both within and outside of Gloucestershire County Council.
- To be an active participant of your team, supporting the development of others and committed to own professional development to deliver the best quality practice for the people of Gloucestershire.
- To take responsibility for obtaining regular, effective supervision from a professional supervisor/manager and appraisal to discuss effective practice, reflection, continuing professional development and career opportunities.
- To take ownership of and responsibility for delivering against team and individual performance targets. Translating data and maintaining an awareness of own professional limitations and knowledge gaps and seeking to address these.
- To contribute to the development of the service by communicating new ideas, through means such as briefings, completion of council surveys, and team meetings.
- To develop and maintain good working relationships with other professionals within the team, wider service area, and partner agencies to ensure an integrated, holistic and multidisciplinary approach.
