Job: *Education Advisor for the Virtual School*

What is important to me:

- Family and friends,
- My pets including a rather cheeky pony!
- All animals,
- Being in the countryside,
- Being able to take the time to do some of the activities I love each week.

What I like doing:

- Spending time watching my family take part in sports and activities they love,
- Going for walks in the countryside,
- Anything involving horses! Competitions, hacks and just generally spending time around them.
- Drinking coffee in cafes and eating out.

How I hope we can work together:

- I will take the time to listen to your views,
- I will be kind and show understanding in how I respond,
- I will work hard to support you in school by working with your teachers to solve any problems,
- I will help your school to provide you with the right support so you can achieve your potential and understand just how much you are capable of.
