

## Visitor Voucher Purchase Examples

Visitor Vouchers are virtual vouchers and can be used immediately. Visitor Vouchers apply for one calendar day (Monday to Friday), two days over Saturday, and Sundays, and are issued to a specific visiting vehicle.

Visitor vouchers are available in blocks of 10 vouchers. A maximum of 50 visitor vouchers (5 blocks) may be purchased within any 12 month period.

Visitor vouchers may be purchased in one transaction of 50 (5 blocks), or as separate blocks of 10. A maximum of 5 blocks will be issued in any 12 month period. Examples:

### Example One

If, for example, you purchase 5 blocks of 10 (50 in total) visitor vouchers on 1<sup>st</sup> February, then these visitor voucher blocks would be due to expire on 31<sup>st</sup> January the following year. Note: you would not be eligible to purchase further visitor voucher blocks until after 31<sup>st</sup> January the following year.

### Example Two

If, for example, you purchase 3 blocks of 10 (30 in total) visitor vouchers on 1<sup>st</sup> February, then these visitor voucher blocks would be due to expire on 31<sup>st</sup> February the following year. If you then went on to purchase a further 2 blocks of 10 (20 in total) visitor vouchers on 15<sup>th</sup> June, then these visitor voucher blocks would be due to expire on 14<sup>th</sup> June the following year. Note: you would not be eligible to purchase further visitor voucher blocks until after 31<sup>st</sup> February the following year, when you could purchase a further 3 blocks of 10 (30 vouchers in total). After that you would be eligible to purchase an additional 2 blocks (20 vouchers in total) after 14<sup>th</sup> June the following year, but not before.
