our pledge

We recognise that being in care and leaving care isn't always easy and that it brings extra challenges and pressures for you.

It is important to us that we get it as right as we can whilst we are looking after you, to enable you to do as well as you possibly can.

The pledge was written and designed in consultation with Gloucestershire Children in Care, many thanks to them for all their hard work.

If you would like a copy of this booklet in braille, large print and other languages phone 07876 390658

For children in our care,
we promise to support you...

... to see and talk to your
family and friends if we can.
