Landfill site now owned by Enovert.
This was the opening section of the landfill.
It is long closed and used as a sheep field

E Unlocked gate

D Unlocked Gate

C was a kissing gate
long destroyed by cows

C was connected to D
by a narrow concrete
bridge

This illustrates a clearly well-trodden track across these fields

B This is an open field gate
that had a stile on the left side
- long decayed

A a kissing gate leading to
the requested footpath and
to Glevum Way

Points F to J are not included in the Public Footpath application

G H I Wooden Bridge leading to
kissing Gate at I built
by Glos City Council
in early 1980s

I to J was used as a regular
footpath since early
1980s until closed in 2024
