INTRODUCTION

1. My name is Ann McNeill.
2. [REDACTED]
3. I have known the claimed route for 20-odd years.
4. I am not related to the landowner.

I wish to state to this Public Inquiry that...

5. I use the route for recreational purposes.
6. I walk the route from the Roman Villa, through the fields and onto the bridge at the reservoir, I used to carry on passed the farm house and back onto the road.
7. I now have to cut off at the end of the bridge, and go over a stile which is not so easy to navigate as it is down a slope with brambles growing and the step down is quite steep, I then have to go over 2 more fields with stiles.
