What is Lifelong links?

Lifelong Links helps you:

Find important people

Reconnect with people from your past

Learn more about your story

Build lasting support for the future

Stay connected with people who care about you

How does it work?

You will have a Lifelong Links Coordinator who will:

Get to know you

Listen to what is important to you

Help find important people

Support you to build connections

Sometimes there may be a meeting where people come together to think about how they can support you.

Remember It's your choice

You decide who is involved

Your voice matters

You can change your mind

This is about **your future** and the people who matter to you.
