

## Welcome to our new look Business bulletin!

---

We are pleased to share our new look Business News Tuesday bulletin with settings.

We hope you will find this version more accessible.

As always - if you have any questions please contact the **EY Business Support Team**.

---

## SEND and Workforce Survey

---

Thank you to all of the settings who either completed and returned their

survey, or who provided the required information during a call with a member of the Business Support Team.

Congratulations to Tewkesbury where 80% of settings submitted the information, followed closely by the Forest, Cheltenham and Gloucester who came in joint second.

We hope to share more findings from the survey with you in due course.

## Schools Based Nursery Updates

---

We have had several schools contact us for further information regarding this, please note that the guidance has been updated since first published, so we strongly advise you to refer back to the online version to ensure that you have the most recent information and are familiar with the requirements.

### [School-Based Nursery Capital Grant - GOV.UK](#)

Applicants need to show good understanding of demand in the area - what does your evidence show?

Applicants need to make sure that the space they are creating meets the requirements and is suitable for nursery provision.

### Role of the LA

The Early Years Sufficiency and Business Manager and the Schools Place Planning Manager are having regular meetings and are working jointly on this programme.

If you are a school considering a School Based Nursery or an Early Years provider interested in working in partnership with schools to deliver a school based nursery, please use the dedicated email address [sbngrant@gloucestershire.gov.uk](mailto:sbngrant@gloucestershire.gov.uk) to send in your expression of interest.

## Business Network Meeting 26/11

---

Thank you to all of those who attended the Business Network meeting last week where the focus was Business Planning for SEND. Please find attached the link to the short video shared at the meeting from the **Childcare Works Hub Website**, which gives some areas to consider when business planning to meet the needs of your SEND children & families.

## Breakfast Club Early Adopters

---

As announced by the Chancellor in September, the Government will be introducing free breakfast clubs in up to 750 early adopter schools from April 2025 as part of a test and learn phase in advance of national roll out.

Early adopters will offer all primary-aged children on roll at their school, no matter their circumstances, access to a free, universal breakfast club lasting at least 30 minutes that involves food, providing children with a supportive start to the day and helping families to have more choice about work. Parents and carers can choose to take up the offer although we encourage schools to promote the offer and drive take up, particularly within disadvantaged groups.

State funded schools with primary age children who wish to apply to be a breakfast club early adopter need to complete the expression of interest form via DfE login. Schools will be asked to complete a few short questions about current breakfast club provision and take-up, and there will be no expectation to explain why they wish to apply.

The expression of interest form went live on 27 November 2024 and will close on the 20 December 2024.

DfE are expressly looking to understand how the breakfast club policy is implemented in a range of schools and welcome interest from those:

- with an existing breakfast or before-school childcare offer
- without any existing provision
- that already work with, or are considering working with, private, voluntary or independent (PVI) childcare providers, including childminders, to deliver their breakfast clubs
- that may face initial challenges with setting up breakfast club provision (this will help us to understand how best to support schools).

Schools and providers can also find out more information using the following link.
