and advice
on early
help

Tailored support to meet your needs by:

- Supporting parent/carers and young people to have your views heard and to ensure the aspirations of children and young people are at the core of the plan
- Helping parent/carers and young people to understand the EHCP process
- Supporting parent/carers and young people to gather information for the transfer meeting & reviews
- Ensure parent/carers, children and young people are engaged in decisions from the outset
- Support you to complete forms particularly if this is difficult for you because of disability or literacy difficulties or if English is not your first language

Independent Support is funded by the Department for Education and is being delivered in Gloucestershire by **Carers Gloucestershire** alongside **Special Educational Information & Advice Support Service Gloucestershire (SENDIASS)**.

Parents/Carers and Young People (14+) can contact us directly or professionals can refer via:
