COUNTY COUNCIL

## Alternative Provision, Activities and Support Services Catalogue 2025-26

### Introduction

We are aware that at times Gloucestershire schools will need to place students in alternative provision to access short-term provision that better meets their needs. Gloucestershire County Council would remind schools that ideally provision used is Ofsted registered.

This prospectus outlines unregistered provision that is available within the county. **It is the responsibility of each school to quality assure the provision at regular intervals.** The Ofsted framework is clear that, as part of an inspection, it is likely to contact external provisions that your school may use.

Where a school places a student with an unregistered provider, there are additional responsibilities schools should be aware of if placements are deemed full-time.

'Full-time' is not defined in law but it is suggested a child should be placed in such a provision for no more than 15 hours with 18 hours as the maximum limit.

***An unregistered setting is deemed to be an independent school if it is providing full-time education to 5 or more children and/or to one or more students with an EHCP or who are Looked After.***

***School leaders are reminded that if a school places a child full-time in an unregistered independent school, this is an illegal provision.***

[Further details can be found here.](#) If you are concerned about a provision you are using, please contact one of the people below in the Specialist Commissioning Team for further advice:

### Overview

This is a list of voluntary and community and private sector providers operating in Gloucestershire who may be able to offer programmes of alternative education, mentoring, support services and activities. This catalogue has been developed as a resource tool to help schools and the local authority source information about these organisations.

Schools will be responsible for making their own arrangements for any alternative packages for their pupils. This will include reassuring themselves of the quality and suitability of any service, the monitoring and tracking of progress of individual pupils, value for money and if the provision meets the pupil's needs. This directory will explain the quality assurance that has been undertaken by the local authority and gives direction on commissioning external alternative education provision directly with providers. It will be regularly updated as new providers join or existing providers vary their offer.

This catalogue has been compiled by the Specialist Commissioning Team at Gloucestershire County Council - [sctmonitoring@gloucestershire.gov.uk](mailto:sctmonitoring@gloucestershire.gov.uk)

## Statutory School Obligations

This catalogue does not remove or affect any of the statutory obligations and duties upon schools in relation to the provision of education. Any child or young person placed by a school in alternative education provision, either full or part-time, remains on the roll of that school and responsibility for delivering the full-time statutory education offer and all other duties in respect of that child remains with the school.

The commissioning school remains responsible for monitoring the quality of the alternative provision and tracking the progress of individual children and young people and confirming that the provision given is of good quality, value for money and meets the pupil's needs.

Concerns about any provider must be highlighted and acted upon, with the Local Authority being informed as appropriate.

## Planning and Commissioning Alternative Provision

### Quality Assurance Self-Assessment Monitoring

Checks have been undertaken as part of the alternative provision quality assurance process. A self-assessment has been sent to the providers and returned to the local authority containing the information below:

- Safeguarding and child protection procedures
- Health and Safety
- Qualifications and experience of staff
- Recruitment and vetting checks
- Fire risk assessment and procedures

Schools can contact the Specialist Commissioning Team to establish whether the provider has completed these quality assurance checks with the local authority, and we are happy to share these with schools. We also hold copies of policies on file.

### Suggested Commissioning Checklist/Service Level Agreement

Following the local authority's quality assurance process, this checklist is designed to help schools when commissioning any external alternative provision themselves. An agreement must be used to help ensure each of the relevant items has been covered and are included as necessary with any service level agreement or contract between the school and the provider. Ideally there should be one or two individuals within a school as a point of contact for an alternative education provider and to monitor the performance in line with the service level agreement or contract.

This checklist is for guidance purposes only. **It will remain the responsibility of the commissioner to reassure themselves of the quality and suitability of any alternative provision.**

Name of the Provider:	
Site Address:	
Company/Charity registration number (if applicable):

<p><b>Service Description:</b></p> <p>Staffed by highly experienced educationalists, All Things SEN: The Quay is an alternative learning provision (ALP) with a difference. We understand the complex range of factors that can negatively impact a child or young person's educational engagement and have developed an approach and method that has yielded remarkable results.</p> <p>What truly sets us apart from many other ALPs is our belief in the therapeutic impact of becoming a successful learner - that is, learning to love learning. Where children have withdrawn from education, refused the classroom, or reached a point of stagnation, we find ways to cast schooling in a whole new light. Excitement, discovery, play and imagination, esteem building, carefully managed challenge, and the personal satisfaction of acquiring new skills and abilities in our 'mini school' like environment</p> <p><b>Age Range: 5-19 (KS1-Sixth Form)</b></p> <p><b>Is transport provided?</b> Where available</p> <p><b>Costs of transport:</b> Learner hourly rate calculated to 1/4 hour +45p per mile.</p>	<p><b>Programmes offered and Costs</b></p> <p>2 day a week placements (Tuesday/Wednesday or Thursday/Friday dependent on cohort suitability) ALP at The Quay 9:00-15:30</p> <p>Depending on the age and need of the pupil, ATS offers a basic core curricular provision (literacy, numeracy) supplemented by topic-based foundation subjects (science, history, geography etc), practical and artistic activities, and extensive social and life skills opportunities. We anticipate many of our pupils will have had, or are having, challenging experiences of school: we have a successful record of bringing school refusers to a love of school, creating positive feelings around classroom-based, adult-led activities by bringing therapeutic understanding to the approach and structure of the day. We conduct educational assessments to ensure provision is precisely targeted. With our extensive experience in managing primary, secondary and sixth form curriculums, our educational provision can be carefully calibrated to the key stage requirements and specific learning difficulties of the individual child.</p> <p><b>Accreditations offered:</b> Staff are experienced in providing support for a range of accreditations including Asdan, AQA unit awards, Entry Level, Functional Skills and GCSE for English and Mathematics. Please note we are not an Exams Centre and therefore cannot lead in the provision of full accreditation at this time.</p>

<p><b>Service Description:</b></p> <p>Apricot is an online trauma informed alternative education provider. We offer live, interactive lessons with qualified specialist teachers primarily for students with medical and mental health needs. While our first remit is academic learning, we pay attention to the whole child and actively seek to increase student confidence, resilience, and learning behaviours.</p> <p>Apricot provides national curriculum in most subjects from KS2–KS5, as well as Entry Level and Functional Skills. We provide a dozen interactive subscriptions for students at no additional cost (e.g., MyMaths, ScienceBits, Doodle, eChalk, etc.). Apricot's online lessons are accessed through both an interactive learning platform and dedicated online classrooms – so there are no travel costs. Students access lessons in their own safe physical environment (home/school/unit) using a computer, headset, and broadband connection.</p> <p>All systems are securely encrypted and lessons are recorded for safeguarding and child protection. Our students feel safe and have fun while they are learning. Apricot's teachers are experienced in delivering highly participatory lessons and in addressing complex needs, challenging behaviours, and compensating for gaps in education. They are expert at building trusting and productive relationships with their students, allowing students to progress quickly and catch up with their classmates for ease of reintegration. Student-led learning is a priority at Apricot and teachers are constantly differentiating, extending, and planning lessons based on individual students, even within small groups.</p> <p>Teachers involve their students in regular discussions of progression, which keeps them concentrated, informed, and invested in their own learning. The rapid progress they are able to make with Apricot further motivates them. Monitoring is robust. Student progress tracking reveals exactly where students require support and where they are strong and measures are made throughout each course of study and in regard to readiness to reintegrate.</p> <p><b>Age Range:</b> KS2 – KS5</p>	<p><b>Programmes offered and costs:</b></p> <p>Entry Level Certifications Functional Skills GCSEs A Levels</p> <p><b>Costs:</b></p> <p>£25/hour per student in small groups (12 maximum)</p> <p>£60/hour in 1:1 lessons</p>

## Aroa Specialist Therapeutic Education Team (STET)

<b>Name of Director:</b> Dr Leanne Short  <b>Registered Address:</b> 81-83A Allerton Road Mossley Hill Liverpool L18 2DA	<b>Email:</b> <a href="mailto:contact@aroastet.co.uk">contact@aroastet.co.uk</a>  <b>Telephone numbers:</b> 07845039433	
<b>Service Description:</b> At Aroa Specialist Therapeutic Education Team (STET), we deliver highly specialised support to children and young people who are unable to attend school or who are receiving Education Otherwise Than In School or College (EOTIS/C).  We provide early and proactive intervention for children, young people and their families at first stages of autistic burnout, placement breakdown or significant school-avoidance, minimising periods without appropriate provision and specialist oversight. We facilitate engagement with a bespoke curriculum, and re-engagement with an educational setting if, and when ready.  We have a team of highly skilled SEND mentors who are supported and supervised by Aroa STET consultants.  <b>Age Range:</b> 4-25  <b>Accreditations offered:</b> This would be bespoke based on individual EHCP/EOTIS packages.  <b>Is transport provided?</b> Yes, our SEND mentors have their own vehicles to transport a child or young person to places within the local community.  <b>Costs of transport:</b> Included in overall quote	<b>Programme's offered and Costs</b>  Aroa STET is a team of Specialist SEND Mentors, Consultant Mentors and Educational Psychologist trained to deliver a therapeutic education for children unable to access school, or who are educated via Education Otherwise Than At School/College (EOTIS/C).  The specialist mentors provide support for the child or young person within the home and community, linking with other professionals and where appropriate, the child's school, to reduce the time the child has without educational support and to increase the likelihood of reintegration back into formal education, if / when / where appropriate.  The sessions embed EHCP outcomes and are underpinned by emotional regulation, engagement, and relationships.  <b>Costings:</b>  £90 per hour + VAT  Plus, an additional monthly payment of £260 + VAT which covers indirect mentor time.  This includes: <ul style="list-style-type: none"> <li>• STET Consultant oversight of the child's curriculum.</li> <li>• Fortnightly SEND mentor supervisions with the STET.</li> <li>• Half-termly progress meetings with the SEND mentor, STET and parents/carers (60 minutes)</li> <li>• Mentor non-contact time (session planning, reviewing and session notes).</li> <li>• Mentor training and Continuous Professional Development (CPD).</li> <li>• STET attendance at 3 x MDTs.</li> <li>• STET attendance at Annual Review Meeting.</li> <li>• SEND mentor's input into the Annual Review report.</li> <li>• SEND mentor's attendance at Annual Review Meeting</li> </ul>

<p>Service Description:</p> <p><u>Our provision</u> Our bespoke SEND provision, based at our Hub in the Forest of Dean, provides a personalised curriculum for young people with a wide range of needs who are not currently accessing education. Our provision has a specialist range of indoor and outdoor facilities offering versatility and a vast array of learning opportunities. We are also able to offer our services within the community and in young people's homes.</p> <p>We offer mentoring and tuition, delivered through a holistic, person-centred approach. We tailor our curriculum to ensure that all our young people have the skills, knowledge, and confidence to embrace their next steps in life, whatever they may be.</p> <p><u>Our Curriculum</u> Initially, we carry out a wide range of baseline assessments to provide clear starting points for every student, in order to track and monitor their progress accurately. Sessions are then individually planned to meet both the educational and personal needs of each student.</p> <p>Learning covers the following four areas, offering a broad approach to prepare young people for fulfilling and meaningful futures:</p> <ul style="list-style-type: none"> <li>• Learning &amp; Work Skills - To be able to play, learn, work, and achieve their full potential. To aspire to fulfilling and meaningful futures. To identify the steps they need to take to achieve their goals.</li> <li>• Friendships, Relationships &amp; Community - To be able to communicate confidently, make choices, form friendships and be a valuable part of their communities. To understand the value of connection and togetherness. To know how to keep safe from harm.</li> </ul>	<p><b>Programmes offered and Costs</b></p> <p><u>Age Range:</u> 0-25 years</p> <p><u>Accreditations offered:</u> AQA Unit Award Scheme</p> <p>Is transport provided? Yes (transport which requires specialist access for wheelchairs we are unable to offer at this time)</p> <p>Costs of transport: £0.50 per mile</p> <p>Programmes offered and costs:</p> <p>Mentoring sessions at £35 per hour.</p> <p>Tuition sessions at £50 per hour.</p> <p>Bespoke Packages available - please contact us to discuss pricing.</p>

- Independent Living - To be prepared for living as independent a life as possible. To have the skills, knowledge, confidence and resilience to promote and realise their own independence. To self-advocate and know where to go for support.
- Good Health & Wellbeing - To be as healthy as they can be, to be resilient, and able to seek help with any difficulties they may face. To understand the importance of physical, mental and emotional health and how they interconnect. To enjoy being active and engaged.

Maths and English are strongly interwoven into all aspects of our curriculum, offering a practical approach and real-life relevance to all learning. Young people are immersed in a language-rich environment, and we can meet a wide range of communication needs. Students have the opportunity to learn through play, creativity, practical approaches, sensory exploration, and more traditional methods, all dependent on their individual requirements.

Our curriculum is also thematic, offering a range of themes over the academic year that ensure that students develop their understanding of the wider world, and how that connects with and shapes their personal and cultural identities.

#### Opportunities & Awards

We have recently registered with the AQA Unit Award Scheme and are now able to offer young people the opportunity to build a portfolio of achievement, personalised to their learning needs and interests. The scheme offers a huge range of unit awards, which helps to build a bespoke experience for each of our learners.

We offer many opportunities for creative enrichment, community engagement, and outdoor learning. Young people can also work towards the National Outdoor Learning Award (NOLA), which offers a skills-based approach to personal development through outdoor learning experiences. Furthermore, young people can also access the Join In Award Scheme (JAS) which offers personalised experiences and achievement through 3 levels of award, combining personal interests, physical activities, outdoor activities and community projects.

#### Our Values

As well as a bespoke curriculum, each student is respected and celebrated as an individual, and supported to explore and realise their hopes for the future, breaking down barriers and misconceptions in order to self-advocate and fully realise their true potential. We foster a values-based approach, embedded in kindness and built on a foundation of strong and meaningful relationships. Our staff bring a depth and breadth of experience into a safe and nurturing space, allowing young people to self-realise, thrive, and ultimately flourish.

<p><b>Service Description:</b></p> <p>One-to-one mentoring for young people to enable them to reengage with learning and their community.</p> <p>Our vision. That all young people belong to a learning community. Our mission. To enable young people to reconnect to learning through building positive working relationships with trusted adults. To support young people to access learning that will enable them to make positive choices in their life. To work with others to ensure that small steps of change add up to transformations</p> <p>B2 Mentoring was founded in 2022 by James Evans. James has worked with young people and their families for over 25 years, including as an Executive Headteacher of a special school and Alternative Provision Service. James also is the Chief Executive Officer of two Independent Special Schools in the Southwest.</p> <p>B2 Mentoring is led in Gloucestershire by an experienced local ex-headteacher and employs mentors with a wide range of skills and experiences, with the aim to carefully match students with a trusted adult to enable to engagement and progress.</p> <p>Our mentors work 1:1 with students in the local community, providing sessions based on individual students needs and agreed at the start of programmes; our goal is to ensure that all young people we work with receive the support and guidance they need to succeed. At B2 Mentoring we believe that education is important, and personal development is fundamental. We create all our provisions with built-in opportunities for young people to grow through new experiences and structured activities within the local community.</p> <p>While different for every child and focussed around specific areas of need, our mentoring programmes all have an additional core intent of building student's resilience and self-esteem, as well as developing a range of strategies that will empower the young person to engage and achieve; our programmes are built around life-long skills, not quick or temporary fixes. With solid relationships as a foundation to every programme, our mentors work to ensure that learning</p>	<p><b>Programmes offered and costs:</b></p> <p>Cost - We work with schools to create individual provisions/costings depending on programme and student need, of up to a maximum of 15 hours per week, with a day rate of approximately £275.</p>

<p>and development are delivered using the most accessible approaches for that young person. Our approach combines a range of therapeutic approaches to support individuals who may have experienced challenges in previous schools and educational provisions and is always trauma informed. We specialise in providing mentoring packages to support and build readiness for young people to re-engage with more formal education and learning. Our mentoring programmes include daily review and reflection alongside the young person and parents/carers. Mentors complete both formal and informal feedback to ensure that everyone is clear on the progress being made.</p> <p>To make an enquiry and discuss what B2 Mentoring can offer a student or group of students please email or call at a time that is convenient for you.</p> <p><b>Age Range:</b> 5-16 years</p> <p><b>Accreditations offered:</b> N/A</p> <p><b>Is transport provided?</b> Yes</p> <p><b>Costs of transport:</b> 45 pence per mile. <p><b>Service Description:</b></p> <p>We are a mentoring service who deliver tuition/NEET support and mentoring in an inclusive and creative format.</p> <p>Whether the mentee is still at school and needs our curriculum focused provision or whether they have left school and are looking for either employment, further or higher education, or specific training to then move into a chosen career, we provide mentoring and support to cover the whole spectrum.</p> <p><b>Age Range:</b> 6-25 years</p> <p><b>Accreditations offered:</b></p> <p>We are currently looking at working alongside a training company to offer our own certificated training units, mainly for the 16–25-year age group.</p> <p><b>Is transport provided?</b> Yes</p> <p><b>Costs of transport:</b></p> <p>£30 a day</p> <p>Home visit charge is implemented and added to the EOI.</p>	<p><b>Programmes offered and costs:</b></p> <p>Programmes offered and Costs</p> <p>We offer 2 programmes across the 6–25-year-old range.</p> <p>1. 6-16 Tuition and Mentoring</p> <p>We start every programme with on entry assessments which baseline the attainment in chosen areas of the learners we support.</p> <p>Level appropriate objectives are then pieced together to create an appropriate curriculum for each learner.</p> <p>Our specialist SEN mentors create plans that aim to not only give models and scaffolding for learning but deliver as much as possible learning as experiences within the community, rather than just at a desk or on a computer, although this will play some part of the offer. Regular attainment snapshots and progress data is shared with the mentee as well as the referring agencies along with termly reports that articulate in more detail the progress and new targets for the mentee.</p> <p>Tuition and mentoring are delivered in a 5 hour a day structure with a maximum of 15 hours a week. Our IT system LearnTrek enables us to report attendance and any safeguarding issues with the relevant agencies as and when needed and our safeguarding team work alongside the SEN Mentors to provide a safe a service as possible.</p> <p>Our tuition platform Doodle will support our mentees in their Maths and English curriculum, with initial baseline assessments and progression reports.</p> <p>This service is available at £55 ph. (Based on the 15 hours a week delivery maximum) with a standard daily charge of £30 for travel expenses and a daily cost for lunch provision of £5.</p> <p>15 hour a week maximum contract will not exceed £930 plus VAT.</p> <p>2. 16-25 Employment, Education or Training and Mentoring</p>

	<p>Our 16-25 programmes also start with an on-entry assessment, but with one that assesses pathway choices, previous learning experiences and barriers to engagement. Our mentors, in partnership with local agencies, supporting routes into employment, education or training, support the mentee to take the first steps into their next phase of life. We support those with EHCP targets to factor in additional needs that are to be met in order for this next phase to a a sustainable and enjoyable one.</p> <p>We work closely with the DWP, Employment and Skills hub and training providers who all help to create pathways for progress.</p> <p>Termly reports are written to update progress and to inform of positive behaviour changes and outcomes.</p> <p>Our safeguarding team work closely with the mentor and mentee to make the experience as safe as possible and oversee session notes to act upon anything where the mentee is vulnerable.</p> <p>This service is available at £55 ph. <p><b>Service Description:</b></p> <p>As the Lead Practitioner, I support the mental health and emotional wellbeing of children and their families by offering a variety of therapeutic interventions founded in the power of play.</p> <p>Central to my clinical practice is ensuring the voice of every child is heard and that every family's story is told. I therefore seek to enable and empower my clients so they gain a more complete understanding of themselves. Support is individualised and offered with a commitment to connection, curiosity and compassion.</p> <p>I work alongside fellow practitioners, external agencies and educators, offering guidance and training, taking a holistic approach to every family's needs.</p> <p><b>Services offered:</b></p> <p><b><i>Play Therapy (1:1 in schools and in private practice)</i></b> Play is a child's natural language of expression. Through play, a child is able to access thoughts and feelings they would otherwise be unable to express verbally. Play therapy can support a child or young person in exploring their sense of self, including how their early experiences and attachment bonds have influenced how they think and behave, as well as how they respond and react to different people and places.</p> <p><b><i>Minecraft as a therapeutic tool</i></b> Engaging through Minecraft in a therapeutic way offers clients a safe, boundaried and psychologically informed space to facilitate creativity, imagination, learning, insight and growth. Acting as a virtual sand tray, a central part of any Play Therapist's toolkit, in Minecraft the client sets the pace and can access an inventory or mine objects to create scenes that symbolise their thoughts, feelings, social interactions or people in their life, helping them to work through and integrate any difficult experiences and challenges.</p> <p><b><i>Child Parent Relationship Therapy</i></b> Empowering parents and carers to be agents of change in the lives of the children they support and care for, I offer a 10-week programme where caregivers learn in a supportive group environment how to apply basic therapeutic play skills. The aim is to strengthen the quality of the attachment bond helping caregivers to</p>	<p><b>Programmes offered and Costs</b></p> <p>An outline of basic costs is listed below however pricing is structured according to the context of the referral and the origin of funding. attune to and respond more effectively to their children's emotional and behavioural needs.

### ***Therapeutic Life Story Work***

Through therapeutic life story work, I collect and organise individual memories and stories, supporting children and young people to piece together the fragments of their lives so that they come to understand their identity, have the opportunity to make sense of their experiences and foster a connection to the past, present and future. This process may involve gaining an insight into their attachment style and internal working model, including how they perceive themselves, others and the world around them.

### ***Children's Accelerated Trauma Technique (CATT)***

CATT is an integrative trauma-focused therapy that fuses cognitive behavioural theory with creative arts methods and human rights principles, creating a holistic child-centred intervention that helps children and adolescents overcome PTSD and complex trauma.

### ***Clinical Supervision***

I am a Clinical Supervisor of fellow practitioners in the field of mental health as well as teaching and support staff, offering a space for supervisees to explore and reflect on their practice and their role in greater depth. During sessions, we creatively explore a child's story, share perspectives and ideas as well as co-construct meaning by examining our emotional responses to interactions with both people and places. Supervision sessions can be attended in person or held online.

### ***One-off consultations***

Consultations are offered to professionals and caregivers seeking one-off advice in relation to social, emotional or behavioural needs; to support a My Plan or a Pupil Passport; or to provide individual support whilst a child awaits a therapeutic intervention. Guidance includes working with families whose children might not currently be attending an educational setting, ensuring joined up working to support the unique needs of the child and their family as a whole.

### ***INSET training***

I promote and share playful good practice across my community and beyond, whether it be through Q&A sessions, school INSET days or contributing to online forums, I offer a range of training formats and initiatives for thoughtful discussion across topics linked to how play can support our mental health and wellbeing.

This will be a maximum of 15 hours per week and can be completed in the school building, out in the community or in our setting.</p> <p>The aim of our provision is to support children and young people to work towards their personal and academic outcomes through a range of activities to meet the needs of their young people.</p> <p>Our Curriculum Lead and managers will work with previous settings, the family and the young person to determine a baseline which will support consolidating existing skills, and the creation of a sequential learning program tailored to his individual needs.</p> <p>A timetable will be built, with consultation with the young person if appropriate, to encourage functional and social communication. Each young person will be given the opportunity to build positive, professional relationships with their mentors to encourage communication and to ensure the young person's wants and needs are understood.</p> <p>Our mentors will complete activities with the young person and liaise with parents/ guardians to understand the young person's needs, wants and motivators. Once this has been completed, mentors start to by building positive relationships with the young person which involve, exploring likes and dislikes, accessing activities in the community and becoming familiar with a team of adults. When this relationship has been established, mentors will start to involve other young people to play alongside them and then facilitate some social communication where appropriate.</p> <p>To support with any transitions, we would ensure and encourage the young person to attend sessions at their allocated school in order to develop positive experiences and relationships with the environment and the staff. We would liaise with the young person and family at all times to ensure questions are answered and needs are being met.</p> <p>We would support with transitional visits to the school to make sure they were settled and comfortable when the support is coming to an end.</p>

	We would liaise with staff at the new setting to share techniques, coping mechanisms and learning styles of the young person to keep consistency and, therefore, a positive and long-term placement.

<b>Service Description:</b>  I am an independent education consultant specialising in working with young people with special needs and their families. I am able to work one to one with young people on aspects of their education, safeguarding and emotional welfare and am also able to support parents in navigating education for their child.  I have been working in education for over 20 years and qualified as a Special Education Needs Education Coordinator (SENCO) in 2019. As part of this role, I gained expert knowledge in the Education, Health, Care Plan (EHCP) system and how to support parents in ensuring their child receives the best education provision possible. I was the Designated Safeguarding Lead and Assistant Head at a special school for more than 10 years before becoming an independent consultant.  I work with families whose children are Educated Other Than At School (EOTAS) to advise and support them on aspects of education, safeguarding and joined up working with other agencies involved with the family. As well as creating an education plan and supporting those working directly with the young person to deliver it.  <b>Age Range:</b> 4 – 16 years  <b>Accreditations offered:</b> N/A  <b>Is transport provided?</b> No	<b>Programmes offered and cost:</b>  I have a diploma in Play Therapy and a certificate in Applied Therapeutic Skills. I am a member of The Complimentary Medical Association - £90 per hour.  I trained as an Emotional Literacy Support Assistant (ELSA) and have supported a variety of young people with special needs over the last 4 years to learn skills to be able to understand and control their own emotions - £90 per hour.  I am a Master Practitioner in NLP and qualified as a Life Coach in 2019. This enables me to support parents and pupils to review their goals and work on how to achieve them - £90 per hour.  As a classroom teacher I have worked from early years to Key Stage 4 with a variety of programs including Attention Autism, Precision Teaching, TEACCH, Social Use of Language Program (SULP), Picture Exchange Communication System (PECS), Derbyshire Language Scheme, sensory stories, intensive interaction and AQA unit award scheme - £90 per hour.

<p><b>Service Description:</b></p> <p>TO ACHIEVE SOCIAL, EMOTIONAL AND ACADEMIC OUTCOMES, SUPPORTING WITH RE-ENGAGEMENT AS WELL AS A SMOOTH TRANSITION BACK INTO SCHOOL SETTINGS.</p> <p>Our Tuition and Mentoring service offers a bespoke package designed to help children and young people achieve their desired outcomes. We work closely with Local Authorities, Alternative Provision Schools, Local Businesses, and Charities to ensure our support is effective, consistent, and holistic.</p> <p>Our aim is to help children and young people make a smooth transition back into school settings by building positive relationships with mentors, developing trust, and strengthening resilience.</p> <p>Support packages are initially provided on a 1:1 basis. However, once strong and sustainable relationships are established, we encourage a gradual move toward small group sessions. This helps young people build self-esteem, form friendships, and prepare for re-engagement in a classroom environment.</p> <p>Each tailored programme may include elements of:</p> <ul style="list-style-type: none"> <li>• Advice</li> <li>• Education</li> <li>• Guidance</li> <li>• Health</li> <li>• Life and Practical Skills</li> </ul> <p>Key professionals and family members involved with the child or young person receive regular, detailed reports outlining progress, goals, and achievements along their development timeline. This approach ensures that our mentoring programmes remain centred on each young person's individual needs and best interests.</p> <p>We actively participate in Team Around the School (TAS) and Team Around the Family (TAF) meetings to</p>	<p><b>Programmes offered and Costs:</b></p> <ul style="list-style-type: none"> <li>• Mentoring (ASDAN) – available for all key stages</li> <li>• AQA Unit Award Scheme – available for all key stages</li> <li>• Connections 2 Independence Programme – tailored for Key Stages 4 &amp; 5</li> </ul> <p>Our Connections 2 Independence Programme can be delivered in or out of school, including during half terms, to suit individual needs and circumstances.</p> <p><b>Programme Overview</b></p> <p>This comprehensive programme supports young people in developing essential life and independence skills through the following sections:</p> <ol style="list-style-type: none"> <li>1. Health and Wellbeing</li> <li>2. Managing Money</li> <li>3. Managing a Home</li> <li>4. Employment, Education and Training</li> <li>5. Family and Relationships</li> <li>6. <p>share updates, gather feedback, and strengthen collaboration with other professionals.</p> <p>Each child and young person works through a tailored independence programme created in partnership with their allocated Mentor. This programme is specific to their individual needs and aspirations. Our outcomes-based approach helps young people identify and achieve their personal goals through reflective conversations, open-ended questions, and consistent encouragement that affirms their strengths and achievements.</p> <p>Connections 2 Independence delivers a Tuition and Mentoring Service commissioned through Local Authorities, supporting young people aged 0–25. Many of the learners we work with have an Education, Health and Care Plan (EHCP) or a My Plan in place.</p> <p>We employ a fully qualified teacher, our Learning and Development Manager, who supports mentors and young people by delivering tuition, assessing academic levels, setting appropriate work, and ensuring each learner's education aligns with their EHCP outcomes and curriculum level. This approach ensures high educational standards and supports reintegration into mainstream education.</p> <p><b>Our Learning Environments</b></p> <p>To meet the diverse needs of all learners, we operate across two purpose-designed sites, The Foundation and The Hub, each offering a unique learning and support experience.</p> <p>The Foundation is designed for our primary-aged children and those with Special Educational Needs (SEN). It offers a warm, nurturing environment that includes a two-storey soft play area, a sensory room, and themed rooms inspired by nature and trees. These spaces provide a calming and stimulating setting that supports sensory exploration, communication, and emotional regulation.</p> <p>The Hub caters primarily to our secondary-aged students. It provides access to a range of facilities including a games room, gym, music studio, practical skills room, study room, and an independent living room. The Hub is a safe, structured environment where young people can develop confidence, independence, and essential life skills while preparing for re-engagement in education, training, or employment.</p> <p>Both of our buildings offer distinct packages tailored to meet a wide range of needs. This ensures that Connections 2 Independence can provide meaningful support for children and young people of all ages and abilities.</p>	
---	--

<p>We are not a school; we are a short-term provision focused on helping children and young people build confidence, understanding, life skills, and independence. Tuition is included within individual timetables and linked directly to EHCP or My Plan outcomes.</p> <p>At Connections 2 Independence, we are fully young person-focused. We are here to support each young person in the way that works best for them. When attending our centres, we encourage feedback and suggestions from young people on how we can continue to improve our services and environment.</p> <p>We want every young person to believe in themselves and to know that they can achieve their goals.</p> <p><b>Age Range: 0 - 25</b></p> <p><b>Accreditations offered:</b></p> <p>Our aim is to motivate and support children and young people to achieve their goals and targets. This can be achieved through tuition and mentoring, including our bespoke internal tuition programmes. Each programme is individually developed based on the child or young person's baseline assessment, created by our Learning and Development Manager.</p> <p>Alternatively, young people can engage in ASDAN Short Courses. These flexible, portfolio-based programmes are designed to accredit up to 60 hours of activity and skills development across a range of topics and curriculum areas.</p> <p>We also offer the AQA Unit Award Scheme, which recognises and celebrates the achievements of young people through the completion of short, unit-based learning. Each unit provides a formal record of success, helping young people to build confidence, develop key skills, and gain recognition for their progress in academic, vocational, or personal development areas. The scheme is highly adaptable and can be tailored to meet individual learning goals, ensuring that every achievement is valued and recorded.</p> <p><b>Is transport provided? <p><b>Service Description:</b></p> <p>First Thought Care Services provides highly personalised, trauma-informed alternative provision for children and young people aged 5–25 who are struggling to access mainstream education for a wide range of reasons including SEMH needs, neurodiversity, disrupted school placements, exclusion, anxiety-based school avoidance, complex trauma, or challenges with peer/social environments.</p> <p>We specialise in supporting pupils who require intensive relationship-based, stabilising intervention delivered by trained practitioners who understand behaviour as communication, work therapeutically, and build trust through consistency, structure and genuine care. Our AP offer includes:</p> <p><b>1:1 and small-group bespoke education</b>  Tailored learning plans delivered by experienced SEN practitioners and overseen by our Assistant Head/SENCO. Curriculum focuses on functional learning, core subjects, vocational skills, and therapeutic education.</p> <p><b>Therapeutic, mentoring &amp; wellbeing focus</b>  Daily emotional check-ins, life-skills work, goal-setting, self-regulation, resilience, and sessions centred around building self-worth and confidence.</p> <p><b>Community-based experiential learning</b>  Outdoor education, activity-based sessions, creative arts, sports, nature-based learning, and structured social opportunities.</p> <p><b>Re-engagement &amp; transition support</b>  We are known for stabilising even the most at-risk learners and gradually rebuilding their capacity to learn. Re-integration plans back to school or forward to future settings are co-produced with the referring school.</p> <p><b>Trauma-informed &amp; relational practice</b>  Every member of staff is trained in behaviour support, safeguarding, de-escalation, neurodiversity awareness and trauma-informed approaches.</p> <p><b>Flexible timetables</b>  We can offer short-term, medium-term or ongoing placements, with the ability to scale up or down depending on the needs of the pupil and the commissioning school. Our provision is open 24/7, 365 days a year!</p> <p><b>High-level multi-agency partnership working</b></p>	<p><b>Programme's offered and Costs</b></p> <p>Our pricing is calculated on an hourly basis and is fully inclusive. Meals (breakfast, lunch and dinner), activities, resources and all sessional costs are already covered within this rate, meaning there are no additional charges or hidden extras.</p> <p>We operate on a minimum 1:1 staffing ratio, ensuring personalised support and consistent relational practice. Our team also includes PBS Practitioners, who can analyse the function of behaviours and develop bespoke Positive Behaviour Support plans where needed.</p> <p>We are flexible in where support is delivered – In school, within our own provisions, out in the community, or in the young person's home.</p> <p>All staff are trained to Level 2 Team Teach and are confident supporting children and young people who present with behaviours that challenge.</p> <p>It's hard to capture the full essence of what we do in writing – the relationships, the creativity, the warmth and the energy.  To really get a feel for us, visit our website, explore our Facebook page, or find us on TikTok. That's where you'll truly see our work come to life!</p>

<p>We work seamlessly with schools, SEND teams, Youth Justice, social workers, families and health professionals.</p> <p><b>Note: Our AP is complemented (not replaced) by the upcoming First Thought Independent School, providing an additional regulated pathway for learners requiring longer-term placements – offering confidence to schools that progression routes exist.</b></p> <p><b>Age Range:</b> 5-25</p> <p><b>Accreditations offered:</b> (Where appropriate and aligned to individual capability)</p> <ul style="list-style-type: none"> <li>• Functional Skills (English &amp; Maths)</li> <li>• ASDAN Short Courses (Personal &amp; Social Development, Employability, Life Skills)</li> <li>• City &amp; Guilds vocational tasters</li> <li>• AQA Unit Awards</li> <li>• In-house progress certificates and milestone achievements</li> </ul> <p><b>Is transport provided?</b> On a Case-by-case basis</p> <p><b>Costs of transport:</b> Pending on agreement</p>

## Impact Mentoring

<p><b>Name of Directors:</b> Wayne Cockram - Director</p> <p>Mrs Rikke Julin - Manager, Gloucester</p> <p><b>Registered Address:</b> Unit 6C Tuffley Park, Lower Tuffley Lane, GL2 5DE, Gloucester</p> <p>Unit 6, Bridge Road, Kingswood, BS15 4FW</p>	<p><b>Email:</b> <a href="mailto:wayne@impactmentoringhq.co.uk">wayne@impactmentoringhq.co.uk</a> <a href="mailto:rikke@impactmentoringhq.co.uk">rikke@impactmentoringhq.co.uk</a></p> <p><b>Telephone numbers:</b> 0117 2872494 / 07853375916</p> <p><b>Website:</b> <a href="http://www.impactmentoring.co.uk">http://www.impactmentoring.co.uk</a></p>
<p><b>Service Description:</b></p> <p>Impact Mentoring offer bespoke mentoring sessions that allow young people to build strong connections and relationships with their mentor. The sessions are usually 3 hours and offer a combination of focused activities and time to check in.</p> <p><b>Holding.</b> This is for children and young people who need a personal and therapeutic intervention to move them towards a more secure, safe and optimistic viewpoint.</p> <p><b>Re-engagement in learning.</b> In this phase we structure sessions towards more concrete goals and encourage routine, structure and a more sustainable way of life.</p> <p><b>Transition.</b> This phase is about an effective and comfortable transition back into education for children and young people. During this phase they work closely with both the school and young person to ensure the process is handled with the appropriate care and attention. This encourages a sustainable and positive outcome.</p> <p><b>Bespoke Additional Needs, Respite and Enrichment.</b> This area of provision is devised on an individual needs basis. Many young people require a tailored package of support which could involve support and management of complex needs or wider circumstances.</p> <p>At Impact Mentoring we pride ourselves on being able to meet the needs of all individuals and have varied experience through working with young people who have SEND, attachment needs, who are in care and those who require interventions to improve their physical and mental health.</p> <p>Mentors work towards agreed goals. The school or organization that refers a young person to Impact will give them goals to work towards. These will be part of the mentoring sessions and step by step they aim to move the young person closer to their goals. The goals will be shared with the young person and reports of the sessions are fed back to the commissioner each week.</p> <p><b>On offer is a combination of the following:</b></p>	<p><b>Programmes offered and Costs</b></p> <p>IMPACT 1-1 and Group Programmes (Gloucester) Impact Mentoring offers a range of small group provisions based around vocational activities linked to an ASDAN short course. The sessions are 3-5 hours long and include the main activity, transport and refreshments. The programmes are based in the Gloucester Centre at Tuffley Park.</p> <p><b>Maths and English</b> Skilled and experienced tutors will be assigned to facilitate Maths and English Functional Skills qualifications from Entry Level 3 through to Level 3.</p> <p><b>Essential English and Maths in Everyday Life</b> Skilled and experienced tutors deliver non-exam assessed courses using English and maths skills to form the foundation for effective communication, problem-solving, and decision-making in both personal and professional settings. These skills help individuals navigate everyday tasks, advance in their careers, and manage life's challenges with confidence.</p> <p><b>Pearson SWEET BTEC in Personal Growth and Wellbeing and Work Skills.</b> Both qualifications are available at Level 1 and 2 and allow students to achieve GCSE equivalency. Typically, this is spread over an academic year with at least one session per week. The Personal Growth and Wellbeing qualification teaches valuable skills to help students lead happier, healthier, and more successful lives. They create engaging conversations about life's big issues and help learners to gain a better knowledge of themselves and the world around them. Young people can gain accreditation through modules which include: Fitter, Healthier, Happier; I've got a feeling; Skills For Social Success; This Is Me!; Our World, Our Future; Making Money Work for Me. Alongside the course, young people have access to activities in the community and at our Gloucester HQ, Tuffley Park.</p> <p><b>ASDAN Short Courses</b> ASDAN short courses can be delivered alongside a young person's mentoring sessions. They are tailored to an individual's interests, skills and needs. Mentors will support</p>

## Inspyre Plus

<p><b>Name of Directors:</b>          Mrs Karen Dooley          Mr John Brazener</p> <p><b>Registered Address:</b>          Unit 10, Bramery Business Park          Alstone Lane          Cheltenham          GL51 8HE</p>	<p><b>Email:</b></p> <p><b>Telephone numbers:</b>          01452 725526          07948347561          07498315737</p>
<p><b>Service Description:</b></p> <p>Inspyre Plus provide a wide range of support to promote the well-being and development of children and young people (CYP) to provide positive opportunities for some of the most vulnerable CYP in our education and care system. We are open 24hrs a day, 7 days a week. We provide a range of Mentoring Support, Social Care Support, Alternative Education Support, and other Professional Services, as outlined in the PROVISION OF SERVICES. Our direct work focuses on supporting children and young people who experience difficulty with communication and interactions with other people; symptoms that impact their ability to function properly in school, work, and other areas of life; and difficulty learning or using facilities. Our responsive care and support enable children and young people to access services, realise and fulfil their potential and enjoy themselves. All provision aims to equip children and young people with personal life skills and development ready for their personal next steps and independence. We respect and promote people's differences, challenge oppressive discriminatory attitudes and behaviour and actively encourage children and young people to develop the ability to live and positively participate in a diverse society. They are encouraged to believe in themselves; ask questions; initiate communication and meaningful engagement; use descriptive language; repair communication and relationships breakdown; build resilience; and seek confirmation. They are given opportunities to make positive changes and choices; to maintain independence and interests or explore new ones. Our aim is simple; to ensure each child and young people's experience with Inspyre Plus is individually tailored, positive and highly beneficial to their identified needs and own plans for the future. Through working together we endeavour to develop the child or young person's support network and promote their own participation by providing opportunities for them to take responsibility for their actions relating to behaviour, risk-taking, interpersonal skills, development and wellbeing. Despite the Provision of Service, our objectives are consistent and simple: 1. To provide a prompt, efficient and informed response to referrals for services, include emergency requests. 2. To ensure each child and young person's support and care needs are effectively provided for in conjunction with relevant support networks and professionals. 3. To listen to and respect</p>	<p><b>Programmes offered and costs:</b></p> <p>16+ Supported living accommodation; cost is variable and depending on individual needs.</p> <p>Mentoring; from £33 per hour</p> <p>Alternative educational support/educational support; from £33 per hour.</p> <p>Supervised contacts and welfare checks; from £33 per hour.</p>

<p>each child and young persons' views, wishes, and feelings whilst supporting them to express themselves and to work towards agreed incentives, goals, and targets. 4.To act in the best interest and promote the physical and mental health and wellbeing of children and young people. 5.To help children and young people gain access to, and make the best use of, all services provided. 6. To prepare and regularly review each child and young person's Support Arrangements, to ensure the document remains accurate, working in their best interests and meeting the objectives of the service request. Also providing and promoting their involvement.7.To empower and promote high aspirations for each child and young person to seek and secure the best outcomes. 8. To respect and promote people's differences, challenge oppressive and discriminatory attitudes and behaviour. Children and young people will be actively encouraged and supported to develop the ability to live, and positively participate, in a diverse changing society. 9.To provide and maintain environments and relationships with the team which are accessible, safe, open and pleasant. 10.To ensure children and young people are safe, and have stability in their home lives, relationships, and education or work. 11. To provide opportunities for each child and young person to engage in activities; establish a trusting rapport with the team of staff; to be empowered, educated and inspired to develop as individuals and make positive life choices; to build self-esteem and resilience. 12. To prepare each child and young person for adulthood and independent living.</p> <p><b>Age Range: 0 – 18; family</b></p> <p><b>Accreditations offered:</b></p> <p><b>Is transport provided? ## Lakeside Care Farm

<p><b>Name of Directors:</b> Dean Sherwin</p> <p><b>Registered Address:</b> Lakeside Care Farm Wiltshire Wildlife Trust Lower Moor Nature Reserve Oaksey SN16 9TW</p>	<p><b>Email:</b></p> <p><b>Telephone numbers:</b> 07887 758380 01666 860699</p> <p><b>Website:</b> <a href="http://www.wiltshirewildlifetrust.co.uk">Wiltshire Wildlife Trust</a></p>
<p><b>Service Description:</b></p> <p>Lakeside sits within a 137 hectare nature reserve within the Cotswold Water Park. As such, we provide nature-based therapeutic activities for children, young people and adults with additional needs, social and communication difficulties, mental ill-health as well as those in need of emotional support. We provide meaningful nature- and work-based experiences in nature conservation, farming, horticulture, animal care and Forest School activities.</p> <p><b>Our Ethos</b></p> <p>To provide a stable, consistent setting where every student can feel emotionally and physically safe and valued, and where they can progress at their own pace. To identify our students' needs and strive to help them meet desired outcomes through tailored, one-to-one support. For many, this will mean aiming to improve their wellbeing, life skills and coping mechanisms. To build students' confidence, self-esteem, independence and skill set to prepare them for their next steps. To reduce students' anxieties and their negative thoughts and feelings. To learn to cope with emotional challenges. To be student-led. The structure we provide is framed by the staff as role models, who encourage, guide and support the student to meet their needs on a daily basis. To provide a stable setting where students can feel successful. We focus on 'operacy' – the ability to do things. Students can build on their interests, creativity and natural talents, and learn life skills such as how to problem solve, plan ahead and express themselves. Our learning-by-doing approach and focus on the process, not the outcome, means we can build self-esteem by celebrating every success relevant to the student and slowly remove the barriers put up from the feeling of failure. To benefit from the therapeutic effects of physical activity and being surrounded by nature. Students are mostly outside where they have space to run, play and learn at their own pace. Being outdoors and not confined to a crowded, loud room has seemingly immediate therapeutic effects.</p> <p><b>Age Range:</b> 5-18</p>	<p><b>Programmes offered and costs:</b></p> <p>We offer one-one-support for children and young people experiencing a variety of circumstances, be they:</p> <ul style="list-style-type: none"> <li>• on an Alternative Provision package whilst continuing to attend school</li> <li>• on roll at a school but on a complete Alternative Provision package</li> <li>• EOTAS</li> <li>• Home educated</li> </ul> <p>Half day: £180 Full day £320</p>

<p><b>Service Description:</b></p> <p>We are an Academic Alternative Provision operating in Wiltshire and Gloucestershire. Our Qualified teachers work 1:1 in a small, rural setting, one of which is just outside Cheltenham. We focus on a range of academic subjects, with students aged 5-18, creating a completely bespoke program to meet the individual needs of the student. We also work with our students on their social, emotional, wellbeing to support increased resilience, improved attitude to learning and raised confidence to ensure successful re-integration after short to medium term programs have been successfully completed. Our pre-induction assessment will ensure that we can meet need, based on the EHCP targets and/or external information from previous settings, as well as other agencies involved. In this way, we can ensure a successful program that meets need and a calm, secure, environment in which all students can thrive. We are currently commissioned by schools, parents, Local Authorities and Virtual Schools. We work together with our schools and commissioners to make sure that the requirements of the EHCPs and/or academic qualifications for achievable and successful future pathways are met.</p> <p><b>Age Range:</b> 5-18 onsite and up to 25 online</p> <p><b>Accreditations offered:</b></p> <ul style="list-style-type: none"> <li>• Pearson Edexcel Functional Skills English and Maths (Entry Level 1-3, Level 1&amp;2),</li> <li>• AQA Unit Awards (for all students age 5 upwards),</li> <li>• SWEET Program (2GCSE equivalent),</li> <li>• Support in GCSEs.</li> </ul> <p><b>Is transport provided?</b> No</p>	<p><b>Programmes offered and costs:</b></p> <p>At Launch2Learning, we are committed to being sector leaders and ensuring that we work with our schools and commissioners to meet the ever-changing context of Alternative Provision in the light of the AP and SEND Improvement Plan (March 2023) and the new SEND and AP guidelines, due to be released in October/November this year (2023).  We have prepared programs to ensure that wherever possible, we prepare students both academically and socially to re-enter mainstream or specialist education.</p> <p>We offer a carefully prepared induction program to which has had a massively positive effect on our attendance. We have also created a parent program to ensure that parent voice is addressed and that this is shared with our educational partners.</p> <p>Our bespoke information system allows us to track value added attainment in both academic and pastoral areas so that swift intervention can be put into place if needed. Wiltshire Council Behaviour Support has asked us to prepare a case study on our transition work as it has been so successful with re-integration back into schools.</p> <p>In KS3 and 4, we use Career Pilot with all our students to ensure that the portfolio of qualifications offered by ourselves and any other AP partner, will ensure an achievable and successful pathway to a successful post 16 destination.</p>

Our expertise is both at a class based level, and senior leadership. This recent combination allows the team at Linked-Learning to work at the pupils' pace, whilst understanding the complexities and barriers to Education, which are often beyond a young person and their family's control.</p> <p>Prior to our support, pupils are assessed, and outcomes agreed by all who wish to be considered stakeholders. Our aim is always to place the young person in the centre of our offer; facilitating their next phase of education, whether this is a new mainstream setting, Post 16 Education or a Specialist Environment. We also work closely with other agencies ensuring that any of the young people we work with, transition successfully into Adult Social Care.</p> <p>In addition to our calm learning environment, our in-centre kitchens offer a homely environment for children and young people who need support to re-engage with their learning. We pride ourselves on the relationships that we build with families, schools and most importantly the young people we work with</p> <p>We use a 'thematic' approach wherever possible, blending a young person's interests, agreed outcomes and areas of the curriculum which allow a 'sideways' approach to learning. We find this approach is successful, as it affirms our belief that people are All Different and All Equal.</p>

	<p>Our significant expertise in SEND, mainstream teaching and youth services mean that our provision is especially suited to meet the needs of children and young people from reception to secondary age who may:</p> <ul style="list-style-type: none"> <li>•need one to one teaching in an environment which is small, quiet and provides a therapeutic setting in which to learn</li> <li>•have an ASD diagnosis or be on a pathway to diagnosis</li> <li>•be waiting for an EHCP and require interim education support</li> <li>•have specific mental health needs</li> <li>•require a trauma informed approach to teaching &amp; and learning</li> <li>•need to be taught in a home environment</li> <li>•be suited to online tuition</li> <li>•need interim education provision prior to transitioning to a full-time placement.</li> <li>•need specific transport requirements and intimate care</li> </ul>

<p><b>Service Description:</b></p> <p><b>OMNI's Approach to Education</b></p> <p>OMNI provides a personalised education model that helps young people achieve their full potential. By tailoring the curriculum to individual needs, we ensure academic success while aligning with the national curriculum. Our goal is to create a curriculum that students enjoy and find relevant, promoting both academic achievement and personal growth. Alongside Maths and English, we offer various programmes that encourage healthy living and collaboration with external organisations.</p> <p>We create a safe and supportive learning environment where students grow academically and personally, building the confidence and skills to make informed life decisions. Our focus on multi-agency support ensures that students receive the guidance they need to succeed.</p> <p><b>Alternative Education</b></p> <p>OMNI offers alternative education from Key Stage 1 (KS1) to Key Stage 4 (KS4) for students who may struggle in mainstream education. We design bespoke learning plans to meet each individual's unique needs. Additionally, we provide work experience and volunteer opportunities, offering practical learning that prepares students for employment and helps them understand the value of work.</p> <p><b>Mentoring</b></p> <p>OMNI's mentoring programme empowers young people by connecting them with positive role models. Through these relationships, students build trust, confidence, and the ability to express their emotions. Our mentors work closely with at-risk and disadvantaged young people, helping them develop a sense of purpose, ambition, and self-worth, guiding them toward a brighter future.</p> <p><b>Independent Living</b></p> <p>OMNI supports young people in developing essential life skills for independent living. ## Reed Specialist Recruitment Ltd (Reed Tutors)

<p><b>Name of Directors:</b> Gavin Beart</p> <p><b>Registered Address:</b> Academy Court 94 Chancery Lane London WC2A 1DT</p>	<p><b>Email:</b> <a href="mailto:reed.tutors@reed.com">reed.tutors@reed.com</a></p> <p><b>Telephone numbers:</b> 0330 175 0580</p> <p><b>Website:</b> <a href="https://www.reed-tutors.com">Reed Tutors   Tuition and Mentoring Services</a></p>
<p><b>Service Description:</b></p> <p>Reed Tutors is a DfE Accredited tutoring organisation, that have been quality assured and worked as a tuition provider as part of the National Tutoring Programme. They recognise that many children find a formal learning environment difficult to cope with and need a different approach to fulfil their learning and emotional requirements. The Reed Tutors Team is made up of former educationalists (senior Leaders, teachers and tutors) who have a unique understanding of the needs of students, parents, schools, tutors, mentors and the authority.</p> <p>Reed Tutors are vastly experienced in providing consistent support to children and young people with complex needs. They have been the sole tuition provider to certain local authorities and are therefore experts in matching students to appropriate teachers with specific skills and experience to meet their needs. Tuition and mentoring can be offered in students' homes, in communal venues (libraries etc.), in the school environment or alternatively, online via the company's bespoke online platform.</p> <p>Tuition can be offered in all National Curriculum subjects, from KS1 to A Level. These sessions will all be delivered by QTS teachers.</p> <p>Mentoring is offered, following a child-centred approach. Involving the students in this process grasps their engagement and allows for huge progress to be made in a wide range of areas, allowing where possible for a smooth return to a traditional education environment.</p> <p>The Reed Impact Assessment Tool breaks outcomes down into small steps and allows for formative assessment to happen, giving the student and school/authority clear understanding of progress made and next steps in learning.</p> <p>Reed Tutors will ask the referring bodies for as much background information on the student as possible, such as Risk Assessments and EHCPs so that they can quickly build up a picture of the student and understand their challenges and needs – this is vital in creating a bespoke programme of tuition and mentoring that will have the desired impact.</p> <p><b>Age Range:</b> 3-25</p>	<p><b>Programme's offered and Costs</b></p> <p><b>Tuition:</b> In person and Online</p> <p><b>Mentoring:</b> In person and Online</p> <p>£52 - £57.50 an hour plus 25p a mile for in person tuition. Room hire can be included.</p> <p>£50 an hour for online tuition.</p> <p><b>Functional Skills Exams</b> - The approximate cost will be between £150-£230 for the exam itself, plus a £50 admin fee for each exam booked.</p>

### Accreditations offered:

Entry level through to A Level can be taught, with all exam boards. Reed Tutors is not a school, but an education support organisation that specialises in tuition and mentoring; students take their accredited exams with the schools which place their students with Reed Tutors, where appropriate.

We can also facilitate booking online Functional Skills Exams which can be sat at home. We oversee this process from booking the exams all the way through to receiving the results.

Reed Tutors offer tuition in all national curriculum subject areas, including functional skills. Subjects tutored include, but are not limited to:

#### KS1 and 2:

- English (Reading and Writing)
- Maths
- Science
- STEM
- Humanities (through topics)

## Skylark Adventures

<p><b>Name of Director:</b> Sebastian Morgan-Clare</p> <p><b>Registered Address:</b> 2 Elm Tree Villa, Wanswell, Berkeley</p>	<p><b>Telephone:</b> 0777 222 7752 01453 811268 (answerphone)</p> <p><b>Email:</b></p> <p><b>Website:</b> <a href="http://www.skylarkadventures.com">www.skylarkadventures.com</a></p>	
<p><b>Service Description:</b></p> <p>Service Description Skylark Adventures offers a bespoke service to schools and other organisations across Gloucestershire. They tailor a programme to suit your young people's and vulnerable and at risk adult's needs rather than them fitting to a schedule. Skylark Adventures are a 'virtual outdoor centre'. They do not have a fixed base, and will bring their provision</p> <p>to you. <a href="https://youtu.be/uMVg5ySUOMo">https://youtu.be/uMVg5ySUOMo</a></p> <p>They can take young people to engage in activities across a range of locations and venues which are activity specific. Climbing, Canoeing, Bushcraft, Caving, Mountain and Hillwalking days and Canyoneering, Gorge Scrambling and Coasteering, Shooting &amp; Fishing, Mountain biking are the type of activities they engage young people in. They provide adventurous activity in the outdoors with fully trained and screened staff who are hand-picked for their skills in working with young people and vulnerable adults who do not find it easy to fit into mainstream education. Central to their provision is the importance of building strong connections and trust between young people and instructors so that they can.</p> <p>Accreditation Entry level 1, 2 and 3 AQA Unit award scheme certificated achievements. They can also work with schools to support BTEC, GATEWAY and GCSE evidence.</p> <p><b>Age Range:</b> Skylark Adventures are a bespoke provider to school age young people 8-18 and older vulnerable and at-risk adults.</p>	<p><b>Programmes and costs:</b></p> <p>All provision is bespoke. Please look at the website and call or email to discuss your needs and they will put together a fully costed proposal for your consideration. They are already working with several schools in Gloucestershire; pricing is competitive and affordable to public providers. Provision can happen in group settings where they work on building resilience, self-confidence and trust in one another, or with individuals with specific needs with the aim to integrate them back into a group setting. Residential trips can be organised for groups of young people to get further into the wild spaces of the UK. These programmes are bespoke, tailored to needs; group size, physical or emotional considerations, length of trip, whatever the variables they can discuss with you how best to meet your needs. Skylark have developed an effective model used currently in several mainstream, alternative and specialist provision schools is a programme of weekly contact with a group or an individual throughout the school year, sometimes culminating in a residential adventure to consolidate skills and learning and provide that really special experience or achievement which will stay with them long after the adventure is over. They also sequence this with their learning plans so that they can further build this into their educational outcomes. Please look at the website to see videos and testimonials and get a sense of who they are and what they do. <a href="https://www.skylarkadventures.com">https://www.skylarkadventures.com</a></p>

<p><b>Service Description:</b></p> <p>SV Mentoring supports children to explore and manage emotions – building their resilience and self-esteem and helping them to create and maintain healthy relationships.</p> <p>Our trained mentors offer support that is tailored to suit the young person's needs. We have found our mix of mentoring and interventions allows young people to develop new skills and make positive connections within the local community.</p> <p>Our mentors are passionate about supporting children and young people, they go through a robust selection, are fully vetted and attend a detailed training programme. Mentors will support the young person, encouraging them in their academic learning, introducing them to new activities and inspiring them to think about their future. The support offered provides effective help with increasing self-esteem and confidence, managing challenges as well as building resilience.</p> <p>We may be commissioned by educational institutions, social care organizations or directly by parents and carers. Following an initial assessment visit, we create bespoke mentoring programmes tailored to the child or young person's needs.</p> <p>We work with children and young people who are at risk of placement breakdown, not accessing education due to many different factors resulting in school refusal or risk of permanent exclusion.</p> <p><b>Age Range:</b> 4 – 19</p> <p><b>Accreditations offered:</b></p> <p><b>Is transport provided?</b> Yes</p> <p><b>Costs of transport:</b> Dependent on location of young person, travel time and mileage will be quoted on referral details.</p>	<p><b>Programmes offered and costs:</b></p> <p>Examples of support packages:</p> <ul style="list-style-type: none"> <li>-Academic education support</li> <li>- 1:1 tutoring - QTS</li> <li>-Social education</li> <li>-Therapeutic support</li> <li>-Exclusion prevention</li> <li>-Bespoke sports interventions</li> <li>-Animal therapy/ intervention</li> <li>-Forest School</li> </ul> <p>Children and young people with additional social, emotional and mental health needs may struggle to access or engage with learning.</p> <p>The SEMH needs of individual pupils may present in a variety of ways, including:</p> <ul style="list-style-type: none"> <li>• Being withdrawn or isolated, as well as displaying challenging or disruptive behavior</li> <li>• Being anxious or low</li> <li>• Difficulties with attachments</li> <li>• Difficulties with attention</li> </ul> <p>Rates will differ depending on the support package that is required, all packages will be quoted upon referral enquiry.</p> <p>Travel time may be charged if the young person's location is situated further afield.</p>

<p><b>Service Description:</b></p> <p>The Reading Doctor offers bespoke tutoring for pupils that struggle with learning to read.</p> <p>The Reading Doctor tutoring method puts the child's learning needs at the centre. We tutor both pupils who are beginner readers and pupils who have some knowledge/experience of reading. We build on existing skills to identify and strengthen gaps in learning.</p> <p>Through the sessions we raise children's self-esteem as well as their reading ability. We celebrate neurodiversity and adjust the teaching methods to suit the pupil.</p> <p>The Reading Doctor Method:</p> <p>Methods and resources nurture and develop all skills, strategies, and phonics knowledge in meaningful contexts.</p> <p>Pupils read a variety of genres for meaning, pleasure and learning.</p> <p>Recognize that all pupils have their own unique strengths, learning styles and deficits.</p> <p>Uses multi-sensory activities/dyslexia-friendly resources.</p> <p>Sessions tailored to suit each individual -celebrating unique strengths and learning styles.</p> <p>Addresses any weaknesses/gaps in learning.</p> <p>Makes reading pleasurable ensuring motivation is developed and maintained.</p> <p>The social act of reading made explicit to them by using real-life examples of why we read.</p> <p>Makes it meaningful and fun.</p> <p>The Reading Doctor...</p> <p>Gives genuine, precise praise to confirm and encourage desired reading behaviours.</p>	<p><b>Programmes offered and costs:</b></p> <p>Tutoring is offered to individual pupils in a one-to-one teaching environment, either in a dedicated reading room or online.</p> <p>Reading sessions are bespoke for the pupil, informed by an initial assessment of reading skills and phonics. Every reading session involves a multisensory approach, using bespoke dyslexia friendly resources. The texts that are offered to the pupils are carefully matched to reading levels and interests. We have tracking sheets to record progress for each child.</p> <p>For secondary aged pupils, we have created tracking sheets that set out the Entry Level Functional Skills specification allowing us to monitor progress precisely. We have put Entry Level 1, 2 and 3 words into phonic groups. We have created teenage phonics resources and use age-appropriate books that appeal to older learners with a Reading Age below age-expectations.</p> <p>Each reading session includes handwriting, letter/word work/spelling work/reading a text/reading comprehension/writing.</p> <p>Reading sessions are one hour once a week/or more frequently if required.</p> <p>£60/hour per pupil (including all resources and access to an online reading programme).</p>

<p>Models new learning.          Uses positive language to promote self-belief.          Uses clear child-friendly language.          Facilitates independence.          Promotes over-learning.          Nurtures independent thinking.          Prompts to encourage an active brain.          Allows for time to think/process.          Nurtures resilience, by creating an environment of risk-taking and self-correction.          Links existing knowledge and skills to new learning.          Acknowledges effective strategies with precise praise.          Makes reading simple...</p> <p>The Reading Doctor works with individual pupils and in Reading Hubs in schools.</p> <p><b>Age Range:</b> 4-16 years old (Pupils who have a reading age of 11 years and below)</p> <p><b>Accreditations offered:</b></p> <p><b>Is transport provided?</b> No</p> <p><b>Costs of transport:</b></p>

<p><b>Service Description:</b></p> <p>Tute Education is a DfE accredited online provider, trusted by local authorities, schools, and non-mainstream settings to deliver high-quality live lessons for children and young people needing short-, medium- or long-term provision.</p> <p>Our qualified teachers (all QTS) deliver structured, engaging lessons across Key Stages 1-5, helping every child make progress and reach their potential. Small, inclusive groups and strong safeguarding ensure a secure, supportive environment where pupils can thrive.</p> <p>We offer enrolment within 48hrs to lessons that are:</p> <ul style="list-style-type: none"> <li>• Aligned to the National Curriculum or exam board specifications</li> <li>• Enriched through mentoring, form groups, and our student council</li> <li>• Enhanced by access to wider programmes that build confidence and connection</li> </ul> <p>Part of <a href="#">Outcomes First Group</a> (OFG), Tute sits within the UK's leading provider of specialist services to schools. Through our association with <a href="#">Momenta 360</a>, we also provide integrated clinical, educational, and reintegration support - including assessment and therapy through our sister company, <a href="#">London Children's Practice</a>. Together, we offer a joined-up solution for learners who need both academic progress and therapeutic support to re-engage successfully.</p> <p>Children are at the heart of everything we do. We work as a partner, not just a provider, offering flexible education that promotes engagement, reintegration, and progress while helping commissioners meet their statutory duties.</p> <p><b>Age Range:</b> Key stage 1-5 (age 5-18)</p> <p><b>Accreditations offered:</b></p>	<p><b>Programmes offered and Costs</b></p> <p>Tute's live online lessons are arranged into curriculums that meet a wide range of needs and priorities</p> <p><b>NO</b> contracts <b>NO</b> upfront payments <b>NO</b> minimum commitments</p> <p>Simply book the provision you need, when you need it, for any combination of students.</p> <p>We encourage commissioners to consult with us so we can understand your setting, your students, and your priorities. Our partnerships team will advise on the most suitable Tute curriculum and structure to achieve the best outcomes.</p> <p>Provision can be commissioned as shared or private lessons:</p> <p><b>Shared lessons</b></p> <ul style="list-style-type: none"> <li>• Pupils from multiple organisations join</li> <li>• Tute sets the content and timetable</li> <li>• Pay per pupil, per lesson</li> <li>• Choose from a range of group sizes to suit learners' needs: <ul style="list-style-type: none"> <li><b>Vita</b> - up to 12 students across a broad range of subjects</li> <li><b>Nova</b> – up to 6 students in English, maths, and science for those with an EHCP or complex needs</li> </ul> </li> </ul> <p><b>Private lessons</b></p> <ul style="list-style-type: none"> <li>• For your selected pupils only</li> <li>• You choose the content and timetable</li> <li>• Pay per group or individual</li> </ul> <p>All lessons are 45 minutes (30 minutes for KS1).</p> <p>All shared curriculums include optional access to Enrichment Wednesdays, where students explore topics</p>

<p><b>Service Description:</b></p> <p>Young Giants is a learner-centred, teacher-led tuition and mentoring service providing bespoke and flexible education programmes for children in need of alternative provision from EYFS-KS5+. We are a specialist managed education service, not a tuition agency, meaning we remain responsible for the education provision of our learners throughout the time they are with us.</p> <p>Based on the needs of the learner, our support takes the form of 1:1 (or 2:1) tuition in homes, schools or venues within the community. 2:1 tuition can be provided where a younger learner is not able to be tutored at home and an adult known to them cannot attend with them in the community.</p> <p>Managed by a team of qualified teachers, we support children and young people with a range of SEND (including complex needs/PMLD), neurodiversity, SEMH, those missing education, 6th day exclusions and those at risk of permanent exclusion.</p> <p><b>Age Range:</b> EYFS-KS5+</p> <p><b>Accreditations offered:</b></p> <p>We are an approved <b>ASDAN</b> centre, offering a range of 'preparation for adulthood' pathway courses suitable for a wide range of learners including those with PMLD.</p> <p>We are also an approved <b>Arts Award</b> centre offering Arts Awards Bronze and Silver. We are a registered <b>Functional Skills Exam Centre</b> – providing Level 1 &amp; 2 exams via remote invigilation.</p> <p><b>Is transport provided?</b></p> <p>No</p>	<p><b>Programme's offered and Costs</b></p> <p><b>Hourly tuition</b> ranges from £55 to £65 (dependent on complexity of case). We attend all MDT/TAC meetings and form part of the TAF. We submit regular progress reports including detailed termly reports with progress against SMART and EHCP targets and outcomes. As a managed service (not a tuition agency) we remain responsible for our education provision throughout the time a learner is with us.</p> <p>We apply a £7 travel allowance per tutor visit which we pass on directly to the tutors (not applicable for online tuition)</p> <p><b>ASDAN</b></p> <p>Short courses (including Lifeskills Challenge) - £150</p> <p>My Independence Supporting Aspirations - £600</p> <p>Qualifications (employability and Personal &amp; Social Development) - £400</p> <p>Arts Awards - £150</p> <p>Functional Skills exams – costs TBC</p> <p><b>Exams</b></p> <p>We offer an exam booking service whereby we source and enter a learner for A Level, GCSE or Functional Skills exams at an independent exam center on behalf of the Local Authority. We ensure access arrangements are applied for and each learner has a familiarization visit before sitting exams.</p> <p>GCSE/A Level Exam entry = Cost of exam as dictated by exam centre + £150 admin fee <b>per learner</b></p> <p>Functional Skills entry = Cost of exam as dictated by exam centre + £75 admin fee <b>per learner</b></p>
