## **URGENT: Childminder Conference 2025**

---

## Calling all Childminders!

**Urgent**– Please buy your ticket for the Childminder Conference this week if you haven't already!

Sadly, the conference will be cancelled if more tickets do not sell this week.

It is such an amazing opportunity to network with other early years professionals and hear from interesting and inspiring speakers. There are 4 workshops to choose from, a raffle, and lunch is included. I know it is close to Christmas, but please treat yourselves! Last year everyone had a wonderful day, and I really want to carry on providing Gloucestershire childminders with this special event.

A massive thank you to everyone already supporting the conference, we literally cannot do it without you!
