

Metz Way/Abbeymead Avenue Corridor Works

Progress update: 1 – 17 August

Night closures at Eastern Avenue started as planned on Monday 13 to install the new signal ducting across the main carriageway. The North East bound crossings have been completed and work is underway across the South West bound side. Work to replace the kerbs and widen the crossings to the traffic islands on Eastern Avenue is also ongoing.

The following works are planned over the coming week. Please be aware night closures will continue to be in place at the Eastern Avenue junction, and will start at the Asda junction.

Please visit the county council website www.goucestershire.gov.uk/metzway for full scheme details including the road closures, or follow the county council twitter @GlosCC for regular updates.

20 Aug Eastern Avenue South West bound – restricted to one lane

ASDA junction night time closures start

The Metz Way and Asda junction will have closures in place for five nights 7pm-7am Monday to Friday. Access to and from Asda will be maintained at all times but it may be necessary on certain nights to follow a diversion route.

North Upton Lane junction works start w/c 20 Aug

These works involve carriageway widening to extend the left turn lane off of Abbeymead Avenue and widening pedestrian islands.

21 Aug Eastern Avenue South West bound – restricted to one lane

22, 23 Aug Eastern Avenue North West bound Night Time Closure

27 Aug St Lawrence Road works start

Works at the St Lawrence Road crossing will provide an upgrade of the existing crossing to a TOUCAN crossing (pedestrian and cycle crossing).

28, 29 Aug Eastern Avenue North West bound night time closure

Eastern Avenue junction resurfacing

Resurfacing works & road markings are planned to start on Wednesday 29 August. This will require full closure of the junction for ten nights Monday to Friday 7pm – 7am. We apologise in advance for any disruption this may cause whilst carrying out these necessary improvement works.
