30mph & 40mph Speed Limits - Respectively
Statement of Reasons

The purpose of this advertisement is to publicise for comment the introduction of 30 mph and 40 mph speed limits on those roads listed in the Schedule to this Order.

The new 30mph speed limit for Naas Lane is to be introduced to help induce vehicle speeds, improve road safety and improve the quality of life for local residents. The new TRO for the 40mph speed limit on Bristol Road replaces two existing 40mph speed limit TROs that cover this section of Bristol Road.

Gloucestershire Highways has considered the latest guidelines in respect of setting speed limits. The police, City and County Councillors have all been consulted with and support the Order.
