

PUBLIC NOTICE
VARIATION
OF
GLOUCESTERSHIRE COUNTY COUNCIL ON STREET PARKING ORDER 2017
BY REVOKING ALL EXISTING SEALED PLANS AND REPLACING WITH A NEW SET OF
SEALED PLANS

NOTICE is hereby given that Gloucestershire County Council has made a Variation under the Road Traffic Regulation Act 1984, the effect of which is to vary the Gloucestershire County Council On Street Parking Order 2017 ("the 2017 Order") by revoking the existing sealed plans affixed with the common seal of the County Council and incorporated within the 2017 Order. These are now replaced by a new set of sealed plans incorporated within the 2017 Order. This is principally an administrative change which will permit the County Council to replace the current map based system with a new version which shows the parking restrictions in a new visual format.

In moving between the digital mapping systems, several visualisation inconsistencies were identified between the digital record and a number of the sealed plans. In carrying out this exercise the plans referred to in the schedule below have been corrected to remove any anomalies, full details of which are to be found in the accompanying Statement of Reasons:

The 2017 Order is now varied by the attachment of plans as used in the consultation carried out between the 6th and 29th September 2017 and which identify the roads or sides of roads to which the prohibitions and restrictions of waiting, loading and parking places affect.

This variation shall come into operation on the 15th January 2018 by revoking all existing sealed plans incorporated within the 2017 Order and replacing with a new set of sealed plans. This administrative change updates the plans throughout the County and therefore affects every District.

The usual exemptions continue to apply to Statutory Undertakers and Local Authority vehicles carrying out duties in exercise of their statutory powers, and also in the case of emergency services vehicles and disabled persons vehicles.

All Plans to be revoked and a copy of the new Plans together with a copy of the Statement of Reasons and the 2017 Order, may be inspected during normal opening hours at Gloucestershire County Council, Main Reception Shire Hall, Gloucester GL1 2TG and or can be viewed at <http://www.goucestershire.gov.uk/newparkingschemes> (Please quote reference JKS/64176).

Any person wishing to question the validity of the Variation on the ground that it is not within the powers conferred by the Road Traffic Regulation Act 1984 or on the ground that any requirement to that Act or any Statutory Instrument made under it has not been complied with in relation to the Variation may, within six weeks of the date on which the Variation is made, apply to the High Court for this purpose.

Any comments that you make concerning this proposal cannot be treated as confidential. For further details about how we deal with your comments and personal details, please go to <http://www.goucestershire.gov.uk/tros>
