Helping you keep people who care about you in your life

Who is special to you?

A friend? A teacher? A carer? Someone in your family?

Gloucestershire COUNTY COUNCIL

Lifelong Links™

What is Lifelong links?

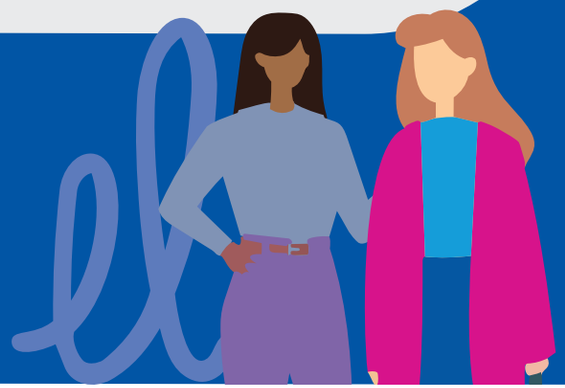
Lifelong Links helps you:

Think about the people who matter to you

Stay connected with people who care about you

Learn more about important people in your life

Build strong relationships as you grow up



How does it work?

Your Lifelong Links helper will:

Listen to you

- Help you think about important people
- Help find people if you want them to
- Help people stay connected with you

Sometimes, people who care about you may come together to talk about how they can support you.

You can help decide who is involved.

Remember

This is your choice

You are the most important person in Lifelong Links
