

Stay Safe and Well Visits Checklist

Do they have a
working smoke
detector/alarm?

If the smoke
detector/alarm
went off, would
the resident hear it?

Would they know/
remember what
to do if the smoke
detector/alarm
activated?

Could they get out if
the smoke detector/
alarm activated?

Free Stay Safe and Well Checks

If the person within the home you have visited today has answered no to any of the 4 questions, please refer to Gloucestershire Fire and Rescue service who will provide a free Safe and Well check.

Call **0800 180 4140**

or visit **www.glosfire.gov.uk**

We will complete a thorough safety check of the property, covering a number of home fire safety topics and wider health and wellbeing areas.
