

Volunteer Flood Wardens Wanted!

The Flood Warden Role:

- **Report** flood events to relevant authorities
- **Monitor** local watercourses
- Provide **feedback** on any clearance work
- **Communicate** between the community and authoritative bodies
- **Raise awareness** of flooding and promote self-help
- Contribute to Town/Parish council's **Community Emergency Plans**
- Help identify **flood hotspots**
- **Log** events and actions taken during a flood
- Work closely with parish/town councils

Full training and support provided. For a Flood Warden Expression of Interest Form, or any other information, please contact GRCC's Flood & Community Resilience Officer, Lucy Eccles, at lucye@ggcc.org.uk, or 07450 772145.
